# March Message from R. Helton Shaw

All Moose Legionnaires:

March is here and the Nominating Committees in our Moose Legion Jurisdictions, LMLC's, Districts and our Lodges should be active. All members wishing to serve in the Lodge or Moose Legion should be qualified to serve. The goal for my President's Project (replacing the doors at the Texas building on the Mooseheart campus) has been met. Thank you to all ML Jurisdictions (**especially the Lodges, LMLC's and Moose Legionnaires within Old Dominion 148**), State Associations, Higher Degree Committees and individual members who have made contributions.

Please continue with your efforts for a plus 1 in membership and your retention efforts. Jurisdictional Secretaries – please make a special effort to get all “accepted” membership applications conferred. Now would be a great time to take advantage of the new membership promotion to earn credit for annual dues for yourself or others.

God bless Mooseheart and Moosehaven.

**PRESIDENTS MESSAGE....Danny Coley**

Hello, my Brothers, I hope this finds you all well!

Unfortunately, this is my last message as your President, so bear with me as I have a lot to say.

I first off want to thank Helton Shaw-International Moose Legion President for being the OV for Winter Celebration as well as his entire Intl Moose Legion board members for coming along with him. It was an honor to have you all there. I would also like to thank Tom Keefer and Robbie Robertson for coming and showing their support as well. Also, another big thank you goes to Jon Call for his surprise drop in, it really does mean a lot to have this great group of guys come and show their support and appreciate for the ODML 148.

Now onto this year's Intl Moose Legion Presidents Project. I first off want to thank everyone for their contributions, it was absolutely overwhelming to see everyone come together to give such a generous amount. To see the look on President Shaw's face was just incredible, after all monies were turned in, we gave an outstanding amount of \$45,234!! I believe we truly exceeded his expectations, and I couldn't be prouder of everyone. Special thanks to Luke Abram for his fundraiser to shave his beard off and raising \$500 and to Julius Smith for his donation of \$940, all of which went to the President Project. Thank you both so much! Of course, the weekend wouldn't have been half as fun if it wasn't for the MLCs who took the time to run hospitality rooms. Chesterfield, Sandston, Richmond East and Manchester, thank you all for your hard work!

I know we are all trying to make sure we get to #1 again for the 5th year in a row, so let's buckle down and get it done. I know we can do this, and how do I know this you may ask? Because we know our way up to the top and until we get there we won't stop!

Unfortunately, we had a lot of wheelbarrow raffle tickets/money that were not turned in therefore we will not be pulling the winner until Spring Celebration at Callao. If any of you still have tickets, please sell them or turn them into me so we can get this thing wrapped up.

As my time is coming to an end let's welcome brother Taylor Haynie as our new incoming President for the ODML 148, I know he will get the job done but let's get behind him and show him we have his back, just like y'all had mine! It has been an honor to serve as your President this year and for me it has been the most rewarding and fulfilling years in my entire Moose journey. I would not have made it where I am without the great group of guys that went before me and the ones coming in after me. I have had a very strong group of mentors in my corner along the way, you all know who you are, and I thank you from the bottom of my heart for all you have done and as the great Ken Kennedy says you all are truly "My Brothers". Thank you, Mark Marshall, for all your hard work and help with the retention list this year I couldn't have done it without you, you lead by example!

A HUGE thank you to everyone's "Queen B" Debbie Moore, thank you so much for all that you have done not only for me but for the 148, lord knows what we would do without you. Love you sweetie!

Last but certainly not least thank you to my better half Kristian for always being in my corner, helping me with my books, going with me to visitations, all our Moose journeys and just being there when I need you. I love you bunches!

Well guys that's a wrap!

Thank you for the best year any President could have.

**Message from Vice-President, Taylor Haynie**

It's been another fantastic year serving on the Board of Directors for ODML 148! Keep up the good work of fundraising and membership. We are ALMOST to the end!

I look forward to serving as President this coming year and look forward to seeing everyone at Callao for the Spring Celebration! We will have to work hard to stay atop the list of jurisdictions both in state and across the Fraternity.

We have a huge event coming up in November in Norfolk, and hope everyone can come out to support our awesome Ritual Team!

**Fraternal Director... Jim Updyke**

My Brothers,

What a great turnout of new applicants into the Old Dominion Moose Legion 148 at the Winter Celebration in Virginia Beach. Thank you to all who came for the conferral and to enjoy the Celebration. I enjoyed seeing all the International Moose Legion Board Members who attended the Conferral.

Just a reminder that we still have the ODML 148 Ritual Team License Plate fundraiser happening. We are over halfway sold out – so please continue to put them out there at your Lodges. Sell, sell, sell!

The Milwaukee Trimmer & Blower fund raiser for my project as Fraternal Director made \$705. Thanks to all who bought tickets and congratulations to the winner!

As we head into our final quarter of the year we have the Spring Celebration on the horizon. This year it is being held at Callao Moose Lodge 917 on April 18<sup>th</sup> & 19<sup>th</sup>. Mark your calendars! Conferral will be held on that Sunday – April 19<sup>th</sup> at 11:00 a.m.

Brothers, keep doing what you do – Some good thing for someone each day! Together, we truly make a difference.

I look forward to continuing my service to the Old Dominion Moose Legion 148 as the Financial Director in the upcoming year. I look forward to seeing you all at the Spring Celebration.

This concludes my report.

**Financial Director... Joseph Payne**

Hello my Brothers and Sisters, what another great year we had. I want to say thank you to everyone for all the hard work you do; keep up the good work. We are coming to another great year with our new president coming in but lets not forget what our current president Danny Coley has done for us. I am looking forward to this next year of fun and fellowship.

**Chaplain...Wayne McCabe**

Well it appears we have survived another winter time to bring in the new Moose year strong! Hopefully we are all doing well, but if we need a little prayer or some concerning thoughts let me know at the next meeting.

Now if you have any events you want to share with us so we can get the word out there for you. Remember to do some good thing for someone each day

**Note from Past President...Gerald Balderson**

Hello everyone. We are getting to the end of the year. Let's push to get this retention gone quickly so we can number one again this year. It is going to be close so go back to your meetings to talk about the members that are due. PLEASE.

Well, my term is coming to an end for Past President. I want to thank everyone that supported me through the moose legion chairs and the ones that helped me on my job. It meant a lot to me.

Hope to see everyone for the spring celebration in April. Going to be a great one at Callao Moose Lodge.

Thanks

# **If someone ask you “What is the Moose Legion...” Do you know what to say....**

## **What is the Moose Legion?**

Dedicated members of the Loyal Order of Moose continually look for ways to provide even greater service to our children at Mooseheart and our senior members at Moosehaven. The Moose Legion provides a venue for these enthusiastic members to direct and lead special programs that accomplish this fraternal mission.

## **Who belongs to the Moose Legion?**

Moose Legionnaires come from all walks of life and occupations. They are leaders in their communities and they prevail in positions of responsibility and leadership within the Moose fraternity. Each Moose Legionnaire believes strongly in doing some good thing for someone each day.

## **Why should I consider joining the Moose Legion?**

Membership in the Degree of Service offers you additional opportunities to serve childhood and old age, and opens the door to you and your family for theme parties, sporting events, community service projects and other unique activities available only to members of the Moose

Legion. Moose Legion Celebrations are held at various Lodges within the jurisdiction of your Moose Legion, and serve as a means to share ideas and enjoy good times with fellow Moose Legionnaires. Leadership skills may be developed through the Moose Legion Committee of your

Lodge or within the Moose Legion jurisdiction. Membership in the Moose Legion is the stepping stone to the Honorary Degrees of our Order – the Fellowship Degree of Honor and the Pilgrim

Degree of Merit. Being called to receive these Honorary Degrees within the Loyal Order of Moose is *only* possible through recognized achievements in the Lodge and Moose Legion.

## **How do I join the Moose Legion?**

Simply complete and sign an application, and have it endorsed by any Moose Legionnaire. Then mail the application, along with the required fee and dues as shown, to the Moose Legion Secretary. Or give to any MLC at any Lodge. You will be notified as to the date, time and location of the next Moose Legion conferral ceremony.

## Where do my Moose Legion dues go?

The Moose Legion is known as the Degree of Service. It is made up of male Lodge members who often desire to do a little more for our philanthropic causes of serving Mooseheart & Moosehaven, as well as those seeking another avenue to have fun and enjoy their membership while supporting their lodge. Some refer to it as the “Fun Degree”. All members who hold the Fellowship and Pilgrim degrees are Lodge members first, then Moose Legionnaires before advancing to the honorary degrees.

A portion of Moose Legion dues are distributed as follows:

- \$2.50 to Moosehaven Operations
- \$2.50 for the Moosehaven Senior Medical Fund
- \$1.75 for the operation of Mooseheart’s Camp Ross
- \$3.25 for International Moose Legion Operations

Additionally, each jurisdiction donates to our annual Moose Legion projects including:

- A designated amount per member toward an annual capital project
- A minimum of \$0.60 per member toward scholarships awarded at the annual Moose International Youth Awareness Congress

Our Moose Legion jurisdictions also provide optional contributions an annual International Moose Legion President’s project and to fund Mooseheart student trips. Of course, we also collect monies and raise funds to support the Mooseheart / Moosehaven Endowment Fund. After all – Moose Legionnaires started it as the “Penny Fund” over a hundred ago.

It is easy to see that our Moose Legion dues allotment and our Moose Legion membership activities truly make a difference to our philanthropic endeavors. Moose Legionnaires can all take pride in these accomplishments, as well as many, many other significant contributions to our local lodges and our fraternal programs!

Together, we are a mighty group of dedicated fraternalists who strive to “do some good thing for someone each day!”
