

July 2024
Richmond East Moose Lodge #1947
Message from the President

Welcome to July 2024.

I hope everyone had a great June and I hope all of you are trying to stay cool! It's been quite warm.

I hope everyone will enjoy their fourth of July celebrations! I hope it will be a fun and safe holiday for you all. I would like to thank Helen Mathews for donating an American Flag when ours so tattered. It is greatly appreciated.

I hope that everyone who attended the Patio Party had a good time. We look forward to more events on the patio and hope everyone will join in the fun and fellowship. The Moose Legion is planning on having an event on the patio at least once a month. It should be fun! Stay tuned for updates and notices.

I would also like to thank Terry Sandy and JC Horton for the beautiful Moose picture that they donated to Richmond East for the Social Quarters. It will be proudly displayed.

In a couple of weeks, some of your Officers will be attending the Moose International Convention in New Orleans, LA for updates and training sessions. They are hoping to come back and share their experience and some new ideas with our membership. I hope they have safe travels.

I hope everyone has a wonderful July and hope to see you around the Lodge.

Fraternally,

Mac Smith
