An Act to amend and reenact § 46.2-1088.5 of the Code of Virginia, relating to reflectors or reflectorized material required on the rear of certain trailers.

[H 2690]

Approved March 22, 2005

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1088.5 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1088.5. Reflectors or reflectorized material required on rear end of certain trailers.

There shall be affixed to the rear end of every *utility* trailer ~~that has an unloaded weight of 3,000 pounds or more~~ *does not require state inspection* either two or more reflectors of a type approved by the Superintendent of Motor Vehicle Safety or 100 square inches of solid reflectorized material. The reflectors or reflective material shall be applied so as to be visible from the rear end of the trailer. *For the purposes of this section, "utility trailer" means a trailer whose body consists largely or exclusively of a metal mesh.*
