Full Backsplash

Kitchen Sink

Overmount

The sink sits OVER the counter.

Undermount

The sink sits UNDER the counter.

Farmhouse

The sink sits UNDER the counter.

Sample of Return of Pass Through

Bottom side of the stone; common for barstools;
Average length is 12" - 18".

Stone Return

The bottom side of the stone is encased in the same stone.

Wood Return

(Side View)

The wood is not visible unless you look under the counter.

Wood Return

The bottom side of the stone is encased in wood.

Waterfall Return Kitchens

No Stone Return

The stone encases the furniture flush. There is no space for barstools

Partial Stone Return

The stone covers the interior of the waterfall, but not the actual cabinet.

Full Return

The stone covers the interior of the waterfall with space to put barstools.
