# Eurasia 2023 RECAP

Romans 10:15

And how will anyone go and tell them without being sent? That is why the scriptures say, “How beautiful are the feet of messengers who bring good news!”

God is sending us to Eurasia to bring the good news of Jesus to the children. Click the large picture for a short video. Partner with us in prayer and financial support by clicking the links below.

# EURASIA

*God allowed me to meet with these amazing people who are equipping and training disciples of Jesus and who see the importance of reaching the children for Christ.*

## STEPHEN AND PATTI HERTZOG

*Pastor Stephen and Patti Hertzog are the Eurasia Regional Directors with the PAOC. They were the most gracious hosts and helped me make all my connections with others in Europe. They showered me with gifts of traditional foods and sweets. Their hospitality and kindness were such an example to me.*

## PAUL AND LYNN KOHLS

*Paul and Lynn Kohls are Global Workers for the PAOC and were my hosts in Nitra. Paul is the President of Gateway College and they are both professors. We shared ideas of what a Children's Ministry Course could look like that gives practical applications in children's discipleship that would assist church leaders.*

## PASHO ZSOLNAI

*Pasho and Monika Zsolnai have two kids. He is the newly elected Bishop of the Apostolic Church in Slovakia. I talked to him about my desire for children to learn how God speaks to their hearts and to teach CM Leaders ways to reach and teach the children about Jesus. He smiled big and agreed with how important it is for children to encounter God for themselves.*

# SLOVAKIA

*I am called to train, support and care for Children's Ministry Leaders. I was in awe of God's faithfulness to provide opportunities to minister on the trip.*

DOMI, PETRA, LYNN  
VERONIKA, ILDI, BARBI,  
BABY MIRIAM

*Children's Ministry Leaders from Equippers Church in the town of Nove' Zamky and city of Nitra. I loved their passion to raise children as disciples of Christ! They had many creative ideas and so much energy!*

## THE GOSPEL MESSAGE WITH SKITTLES

*In Kids Ministry, we have to find ways to be relevant to them in our teaching. I love finding everyday items that I can use to share the gospel because the kids can then share the message with friends. I was delighted to find Skittles in a gas station in Slovakia!*

## KIDS MINISTRY

*I had the privilege to work alongside Petra in Equippers Nitra. It is the first time I have ever worked with a translator. I learned that in planning a 30 minute teaching time, I would only get to do 15 minutes because of the translation time. It is helping me refine the teaching to include only the most important parts.*

# HUNGARY

*In Hungary, these men and women of God are evangelizing in parks, gathering people and building the church. Equippers Budapest meets in a Jazz Club that is open for business when the church service is happening!*

## MIRO AND MARTA TÓTH

*Miro & Marta Tóth are lead pastors of Equippers SVK and Equippers Budapest. They are planting churches all over Slovakia and now in Hungary. Their son Tobias and his wife Kristina are working with them at the Equippers Church in Budapest.*

## PETER PRESINSKY

*This is “one of the Peters” who goes out with teams from Equippers to the parks in Budapest. They share Jesus with whoever will listen and they are seeing many come to faith in Jesus Christ. Peter really enjoyed my “skittles” gospel illustration and said he was going to use it to evangelize at the parks!*

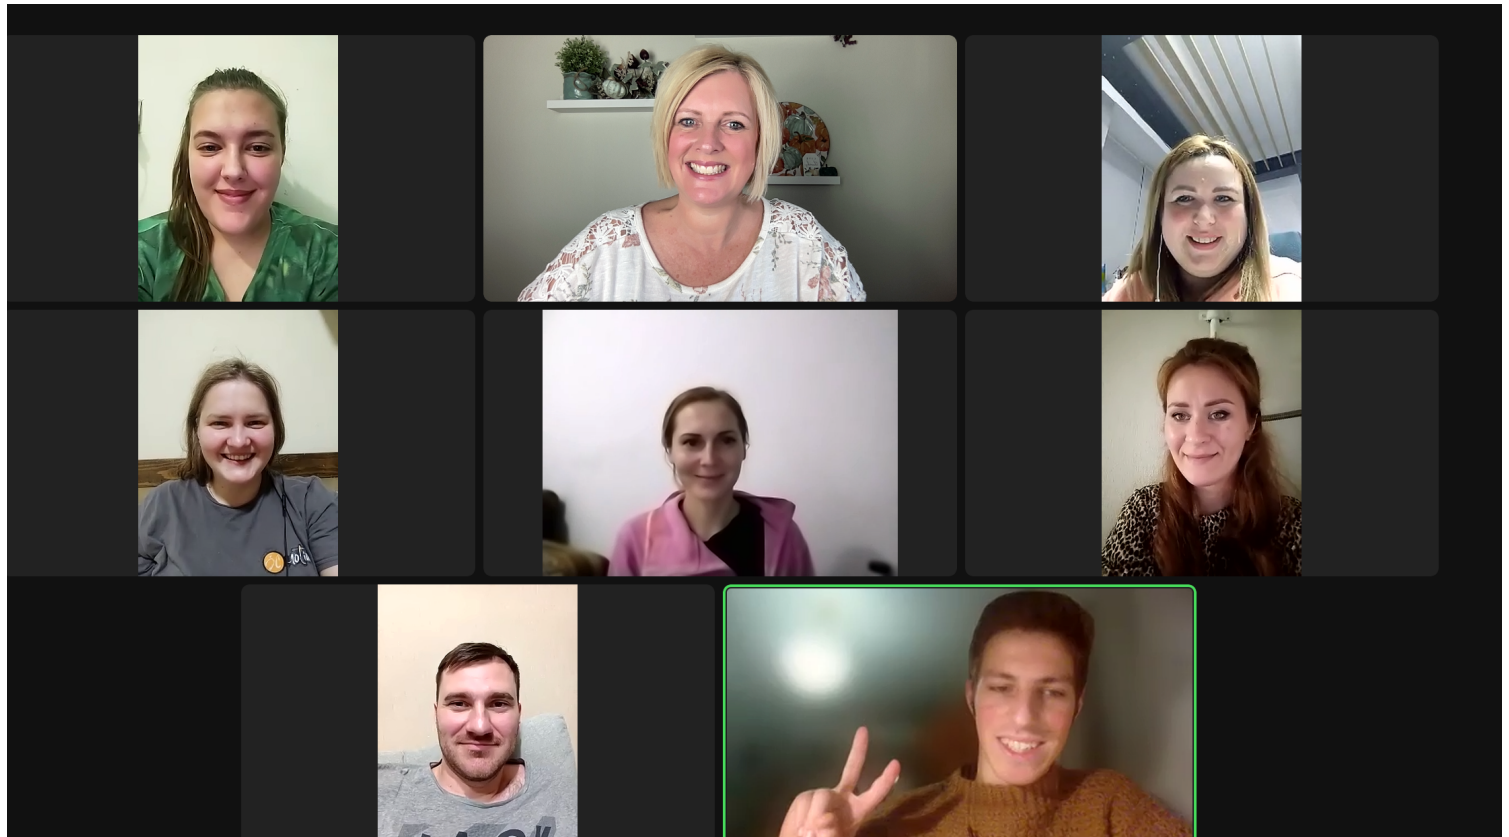

## MELINDA, SHOSHI, AMANDA AND CALEB

*This is the kids ministry team at Equippers Budapest. Melinda speaks Hungarian, German and English and is the leading the kids ministry after the Holy Spirit spoke to her heart to lead the children. In this international church, Amanda taught in English, while Shoshi translated in Hungarian, and Caleb translated to Spanish ALL AT THE SAME TIME!*

This is the Children's Ministry team from Poltava, Ukraine that I have the privilege of coaching in a monthly zoom call. This training includes prayer, practical application, and teaching as well as a Q&A time. Pastor Bob Jones went to the Ukraine in November and got to meet some of them in person. The Ukrainian Team is eager for me to add them to my itinerary so I can join them as they minister to the children in the 18 surrounding villages.
