To Whom It May Concern,

Survivors of Blue Suicide (SBS) Foundation sincerely appreciates your support of our mission to foster hope by uniting survivors of law enforcement suicide to support one another and honor our fallen heroes. Thank you for your recent donation of \$2,850 on 8/7/2023.

Each year SBS continues to advance its mission of giving our survivors hope and encouragement through our programs such as Co-Worker's Weekend Retreat, Spouses Weekend Retreat, and Parents Weekend Retreat.

**Co-Workers Weekend Retreat:** "I gained understanding, support and a huge extended blue family."

**Spouses Weekend Retreat:** "Words cannot even begin to express how grateful I am to this organization. Without them, my healing process would have definitely looked different."

**Parents Weekend Retreat:** "What I gained the most is the courage to continue living and finding happiness again. These wonderful and caring friends at SBS make the biggest difference."

Thank you for helping us fulfill our mission.

Contributions to Survivors of Blue Suicide Foundation, Inc. are tax-deductible as a charitable contribution. Our EIN is **85-1397219**. Survivors of Blue Suicide Foundation did not provide you with any goods or services in consideration of your gift.
