February 2019 Volume No. 19~ Issue No. 2

LOCC Meeting ~ February 10, 2019~Tuckers Shuckers
1339 Bagnell Dam Blvd, Lake Ozark MO

Presidential Spark Plug

At the beginning of the January Newsletter, I said that Santa had brought a gift for the Lake Ozark Corvette Club because it had been good in 2018. The weather did not cooperate for the January Meeting and waiting until the February meeting didn't make sense because we will be closer to Valentines Day, so I've enclosed a picture of the gift. It is a karaoke speaker box with a wireless microphone. The sound which it produces is very good, covers a large area and easy on the ears. With the unit comes a guarantee that I will not sing, even though it's a karaoke box.

The first event in 2019 is the St Patrick's Day Parade, March 16, 2019. This year again, Jerry Ehlmann will provide our starting point at his Rock Solid utility building located on Business 54. More details will follow. Keep the date open, this is a fun event and will conclude our day at a local restaurant.

As we get into April 2019, two events will occur. First is the road trip to Enid Oklahoma on April 5th and show on the 6th, about a 6 hour drive where the Corvettes of Enid Oklahoma will have an indoor Corvette show and competition. We currently have 13 cars going to the show, five from the lake area and eight from Kansas City. There is still room for others. Dave Noble has coordinated the show and has provided all the details in past communications. If anyone else is interested, contact Dave or myself and we'll provide you the information.

The club will attend the Michelin Bash in Bowling Green Kentucky, home of the Corvette Factory and Museum on April 25 to 27, 2019. If you've never been to the museum, this would be a great trip for you and you may want to think about attending. Pete Spanos had provided the information for our lodging and would be happy to discuss with you any questions you may have. There is still time to reserve your lodging and events. It is important to do it early because they do fill up.

Club meetings are always the second Sunday of each month. The May meeting should be on May 12, 2019, however, Mother's Day is on the same Sunday. Please note on your calendars that the May meeting has been changed to May 5, 2019.

Looking forward to the February club meeting which will be conducted at Tuckers Shuckers on February 10, 2019.

Bill Kaimann, President

Thank you Santa For the New Speaker Box!!

Calling all writers ~ I would like to feature you in the Vette Waves Newsletter. If you have a personal Corvette story that you would like to share in the newsletter, please submit it in final form to me by the 25th of the month.

You can e-mail it to me at
locnewsletter@outlook.com

I look forward to hearing and sharing your story!

FACEBOOK INFO!!

LOCC has had a Facebook page for the last two years which currently has 109 members. The page is limited to Corvette owners and has several owners around the area who are not in the club but share our passion for America's iconic sports car. A variety of posts include any and all things Corvette including the latest information on the Corvette plant, the NCM, Corvette racing, and the Motor Sports Park. Several LOCC members regularly contribute and the visual posting is multi-sourced to include several types of vette sightings and reporting. We keep it up-to-date while also posting occasional historical and interesting reporting.

All LOCC members are invited to join the page which can be accessed by entering "Lake of the Ozarks Corvette Club" on your regular Facebook page or going thru our official club website at LOCC2010.net which has an access link icon directly to our FB page. It is a closed page so you ask to join and I will approve it as soon as I see it. The Facebook page is a good complement to our official website which contains the nuts & bolts of the club as well as our history and pics of cars, members, newsletters, trips and event schedules. Pls feel free to contact me for further information or questions.
