President Santz's Monthly Report

Hello LOCC Members,

September is ushering in the end of Summer and the beginning of a beautiful Fall season. It's a great time of year to be a Corvette enthusiast and a busy season for LOCC.

On September 6th, LOCC participated in the final Hot Summer Nights of the season. The theme for September was "A Salute to Our Heroes". For this event, LOCC participated as drivers for the Salute to Veterans parade. This was a great opportunity for us to support local veterans and to thank them for their service to our country. We had a total of 30 LOCC Corvettes in the parade and a total of 43 Veterans as either drivers or passengers. Thanks to everyone who made this a great experience for all the Veterans. A special thanks to George Woodrum for organizing the parade this year.

On September 7th, a group of LOCC members participated in the Lake of the Ozarks Air Show at the Camden-ton Airport. The weather was sunny and cool which made for an enjoyable day. We had 15 LOCC member Corvettes on display at the show. We were able to observe some unique planes such as a B-25 Mitchell Bomber, a pair of A-10 Thunderbolts (aka: Warthogs), and a Russian MiG-17 Fighter Jet. We also got to enjoy a myriad of planes conducting acrobatic aerial maneuvers. It was a fun day for all who attended.

On September 12th-14th, a large group of LOCC members attended the Corvettes at Karl event in Ankeny, IA. We had 55 members attend the event and 32 LOCC Corvettes. On Thursday evening, we enjoyed a concert and dinner at Nash Nights in the District. The weather was great and the location was just across the street from our hotel. On Friday morning, we drove out to the Iowa Speedway to enjoy a track day. Lunch was provided and LOCC members were able to drive some hot laps on part of the oval track as well as a short infield road course. It was a fun day of adrenaline filled Corvette racing. On Friday evening, we had dinner at Jeth-ro's BBQ which was just a short walk from our hotel. It was a fun evening of dinner and socializing. On Satur-day we were able to view two amazing car collections. We started first at Carl Moyer's home to view his amazing collection and enjoy a breakfast they provided. Carl is the sponsor of the Corvettes at Karl event. Next we moved on to view the car collection of Dennis Albaugh. This is one of the most impressive car collec-tions you will ever see. If you haven't yet attended this event, you will need to put this on your bucket list. Thanks to the caravan leaders (Ed Tostenrud, Keith Suchman, Rudy Willingham, and myself) and to Don Wormsley for setting up the tour of the Dennis Albaugh collection. Thanks to Karl Chevrolet for sponsoring the event.

On September 14th, several members attended the Battle on Elm Street Car Show in Lebanon, MO. This a Ford vs GM car show. Congratulations to LOCC members Randy Weber, Don Dettmann, and Kent & Susan Perrin that came away with trophies.

President Santz's Monthly Report Continued

On September 21st-22nd, several members traveled to Harrison, AR to attend the Heart of the Ozarks Corvette Show which is put on by the Heart of Oklahoma Corvette Club. Congratulations to LOCC members Dave & Mary Chapman, Mike & Sandy Funk, Arlen & Tammy Walker, Steve & Brenda Myers, Pete & Melody Spanos, and Adam Spanos that came away with trophies.

Please follow our monthly newsletter, the LOCC Facebook page, and the LOCC website for current information and upcoming activities. Thank you all for your continued support and for your club participation.

I hope to see you at our next meeting on October 13th at Willowes Bar & Grill. Please ensure you respond to the meeting invite by the deadline so that I can provide the restaurant with an accurate head count.

Thanks,

Dave

OUT AND ABOUT

Left, Darryle Modesto stands behind his newly acquired red mist C8 Stingray. A beautiful and well cared for 2022, Lois said she loves the car and loves the looks they get in the car! It is a gorgeous car and the Modesto's are absolutely ecstatic about it!

LOCC HONORS OUR VETERANS

On September 6, 2024, LOCC honored our local veterans during the final Hot Summer Night of the year by a parade of 30 Corvettes down the Bagnell strip. In total, 43 veterans, consisting of both LOCC members and local veterans attended the parade. Onlookers shouted their gratitude from the street sides as the veterans waved from inside the most beautiful cars on the strip. Without a police escort for the second year in a row, LOCC proved they will still honor our veterans, even blocking traffic on our own. Even the "alien" cars that interrupted the parade of Corvettes were of no consequence as it did not damper the crowd's enthusiasm for our local heroes! A huge Thank You to George Woodrum for coordinating the parade and for Sherry Lantz's help with the signage!

LAKE OF THE OZARKS AIR SHOW 2024

The air show comes around every two years and the 2024 show was the second show LOCC was invited to park inside the Camdenton airport to watch the show while onlookers could also peruse LOCC Corvettes. This year, LOCC participated with 15 cars and a beautiful day with an amazing show made the day a perfect trifecta! Thanks to David Lantz for providing the pictures.

Heart of Oklahoma Corvette Club Show In Harrison, AR

Sept. 21, 2024

Seven LOCC Corvettes successfully attended the 1st annual Heart of Oklahoma Corvette Club show in Harrison, AR. Arriving Friday afternoon in time for the Meet, Greet and Eat at Wood's Chevrolet (show sponsor), the group was treated to a meal of hamburgers and hot dogs with all the necessary sides of a down home barbeque. The car lot, vacated of dealer cars, left participant cars and club cars on display. As LOCC knows, there is nothing better than a dealership filled with beautiful Corvettes! Following the meet and greet and back at the hotel, LOCC members met Northeast OK CC members for a short evening of socializing on the hotel patio. This is the beauty of attending shows, meeting enthusiasts from other states and developing friendships.

Saturday morning, LOCC set out for the Harrison downtown square where they were divided up by class. As the show was advertised to participants that cleanliness would be the determining factor, LOCC members quickly began doing what they do. They cleaned, cleaned and cleaned some more. With temperatures reaching in the 90's and the humidex high, cleaning was no easy feat! In the end, after all judging was completed, the results of the show were announced in the air conditioned, Lyric Theatre on the square. The C8 convertible class consisting of 13 C8's had LOCC leaving with a class award. Out of 13 coupes in the C8 coupe class, LOCC brought home the 1st place plaque. A total of 17 wide body cars were entered in the show and three LOCC cars came home with class awards while one LOCC C7 drove

away with 1st place in their class, a sponsor award, the best interior trophy and best of all, they won the Best of Show cup for C5—C8! Congratulations to Dave and Mary Chapman with their 2017 Collector's Edition! See pictures on the next page for all the winners.

Saturday evening, two of the LOCC cars had to return home but the remaining five cars stayed the night. The remaining group met the Northeast OK CC at Bucket's Bar and Grill (same owners as Jamie's in Berryville where LOCC dines during Eureka Springs) for dinner. Saturday was an early night as the heat of the day zapped most of the group, but it's always a great time when LOCC gets together and to add 24 more NEOCC members to the group, made it phenomenal.

For their first show, the Heart of OK Corvette Club did a great job! LOCC attending members recommend next year's show for those wanting something to do and not having to drive too far.

Step into the world where the silver screen, music, and video games intersect with automotive passion.

Opening this October, Pop Culture and Corvette: An American Love Affair explores the deep connection between America's Sports Car and entertainment. From Elvis Presley driving a 1959 Stingray Racer in Clambake to the Corvette-inspired Autobots in the Transformers franchise, this exhibit celebrates the Corvette's role in film, TV, music, and video games. Visitors will be immersed in the sights and sounds of iconic Corvettes that have graced the big and small screens, including a bright pink Corvette inspired by Barbie, a blue C3 featured in Hawaii Five-0, and the Corvette concept featured in Gran Turismo 6.

In addition to Hollywood fame, the exhibit highlights Corvettes tied to American icons, such as astronaut Jim Lovell's Corvette and Reggie Jackson's 1978 Indy 500 pace car replica. With a blend of cars, artifacts, and memorabilia, the exhibit showcases how Corvette has been a cultural symbol for more than 70 years. Visit us this fall to experience the stories behind these legendary Corvettes.

Annual LOCC trip to the National Corvette Museum:

We will soon put out a survey for our trip to NCM hoping to pick up some suggestion, new ideas, new activities, even new dates for this trip. Nothing wrong with what we have been doing it is just kind of nice to give everyone in the club a chance for some input.
