President Funk's Monthly Report

Happy Holidays LOCC Members!

I hope all of you are enjoying the Holiday Season as 2023 nears closure. LOCC started the month of November with the Osage Beach Veterans Day Parade on November 11th. LOCC proudly participated in this honorable event with 20 Corvettes. Thanks to our LOCC T- Shirt being hung in the Tavern Smokehouse BBQ restaurant and the effectiveness of the LOCC's Official Facebook page, we added 2 new members and a parade participant hours before parade staging. What a story that was! Several enjoyed food provided by the Osage Beach Elks club after the parade.

Our monthly meeting was held on November 12th at the Lake Valley Golf Club in Camdenton. All enjoyed the breakfast buffet with another well attended meeting of 88 members and 43 Corvettes. The 2024 LOCC Board was introduced which will resume club leadership at the Dec 2, LOCC Christmas Party. Lake Valley is a 3yr supporting sponsor of our annual Corvettes in Paradise show. We certainly encourage supporting those who support us.

LOCC began the Christmas spirit at the Lebanon Christmas Parade on November 18th. Our club had 14 festively decorated Corvettes in the well attended event. It was a great sunny day to share the Christmas Spirit, throw an enormous amount of candy to the children and enjoy the great camaraderie with LOCC friends and family. Several LOCC members enjoyed lunch at T's Redneck Steakhouse following the parade. A big thanks to Ed and Becki Carr for coordinating this annual event!

The 2024 Corvettes in Paradise currently has 135 paid registrations and over 300 nights booked at the Margaritaville Resort. These numbers speak volume to all LOCC members who volunteered their time and efforts that made the 2023 show an extremely desirable event! Thanks to all who assisted and please stay involved to raise the bar in 2024!

I have thoroughly enjoyed serving as the LOCC President for 2023. Prior to starting the 2023 year, I listened to current members, former members and the public as I made suggestions for minor changes regarding our club. I would like to thank the 2023 officers and board members for their time and work as it was all worth it! I am very pleased with the increased club participation at meetings, club events and the record high membership of 253. I would like to thank members Rudy Willingham and Kathy Needham for always thinking of ways to make club events more enjoyable as a group. From coordinating post meeting road tours, a full list of activities for Eureka Springs and details for our Christmas Party, they are always thinking of our members. I'm 100% confident 2024 President David Lantz and the LOCC board will continue to move this club forward in a positive and professional manner. David has great ideas to enhance the professionalism and transparency of our club. Please support this fine board who have volunteered their time to continue the growth and positive camaraderie of the club. I will stay involved with the club in any capacity requested of me. Sandy and I have met several fine friends through this club over the last few years and are certainly looking forward to meeting and interacting with many more.

Please follow the monthly newsletter, The Official LOCC FaceBook page and website for current information and activities.

Please continue to share club opportunities when you meet new Corvette enthusiasts at or near the Lake of the Ozarks. We always encourage and welcome new members.

I look forward to the annual Christmas Party on December 2nd at the Encore Resort. The new 2024 LOCC Board will assume leadership at this time.

Thanks for your continued support and club participation. I wish you and your families the very best during this Holiday Season.

Mike

A Message From the Editor:

As we bring this year to an end, I want to wish all my Lake of the Ozarks Corvette Club friends and associates a Merry Christmas and Happy New Year! Mike and I have enjoyed our time since joining in 2020. We have met many great people both in the Club and in other Corvette Clubs as LOCC travels take us on many new adventures! As Corvette enthusiasts, we have loved and owned a variety of Corvettes for approximately 30 years but it is the friendships we have built within LOCC that makes this Club special to us.

For Mike and myself this has been a great year. We have welcomed many new members to the club and have enjoyed getting to know them better. We have also gotten to know some past members who had stepped away from the club and have either rejoined or have become more involved with club activities. I have appreciated the support and encouragement expressed by both old and new members throughout my involvement with the club as the Newsletter Editor, and I can speak for Mike to say he is astounded by the same support and encouragement he has received as President from several of you.

As found in any large groups, we realize not everyone can be happy about changes, but without change the organization never moves forward. We are very aware that several members have contributed much to LOCC which we have always respected and appreciated. As determined in the LOCC guidelines, the club president is responsible for all club activities and picks his/her board to fulfill those duties. In order for a standing president and board to steer the club in the positive direction they envision, changes are routinely needed. Ownership of pieces of the club no matter who develops them, becomes tiresome and leads to entitlement by a few.

For the reason above, I would encourage others to step up in the upcoming years to become involved as a board member, but until then I am happy to work with the new 2024 LOCC President and Board. I also welcome the upcoming changes to the guidelines to include a code of conduct clause. While I could proceed here about some things we have personally experienced, instead I quote Buford T. Justice from the great Smokey and the Bandit movie, "We ain't got time for that crap!"

Finally, I look forward to 2024, both personally and as I fulfill the duties of the newsletter editor for LOCC. I continue to ask members for any new ideas for the newsletter, please do not hesitate to send me your Corvette related contributions. I look toward the new year as a new start, and enjoying another year of fun-filled Corvette escapades with other LOCC members. Mike and I are truly grateful to have met such an awesome group of people who enjoy their Corvettes as much as we do!

Merry Christmas and *Happy New Year* to every one of you,

Sandy

Secretary's Report

Date: November 12, 2023

Location: Lake Valley Golf Club, 367 C.C. Blair Ave, Camdenton MO 65020

Pledge of Allegiance: Bob Pease

Time Meeting Started: 12:05pm

New Members:

Tony & Ginny Baldrige - Four Seasons MO, 2023 Red Mist Metallic Convertible. Bought a Lake of the Ozarks home in 2004 and moved full time 5-6 years ago. Involved with Hot Summer Nights.

Rob & Holly Miller - Pontiac IL, 2023 Red Mist Z06 & 2016 Stingray. They were having dinner at The Tavern Smokehouse on Friday and noticed the red LOCC t-shirt on the wall. Put it out on FaceBook if the Club had any activities this weekend. Mike responded and quickly they became members of LOCC, participated in the Osage Beach Veterans Day Parade & attended our November meeting. Come to find out Rob's son worked on Jerry Ehlmann's 2022 Black Custom Wide Body Corvette.

Members New/Different Cars:

Arlen Walker has a 2021 C8 for sale. It's a Z51 Hardtop Convertible in Red Mist Metallic.

Birthdays & Anniversaries:

9 Birthdays and 1 Anniversary (51 years)

Old Business:

October 15 - Meeting @ Willowes' Bar and Grill - 69 members attended with 19 Corvettes.

October 19 - Trunk or Treat @ Arrowhead Senior Center in Osage Beach - Sherry Lantz coordinated with 9 LOCC Corvettes participating. Beautiful weather with residents and staff enjoying the cars and treats. Special thanks to Gary & Lana Elwick for presenting the facility administrator, Michelle Grove with a beautiful fall arrangement with LOCC business card attached to be enjoyed by residents and staff.

October 30-31 - LOCC members Bill Stone & Mike Funk attended Ron Fellows Corvette driving school at Spring Mountain in Pahrump Nevada. They came home with Ron Fellows gear for 2024 CIP silent auction. Sandy Funk attended all available classes also.

November 11 - Veterans Day Parade in Osage Beach - Fred Catcott organized with 20 LOCC Corvettes participating & tossed out candy. Free food was available at the Elks afterwards. A touching moment was observed when a 6-7 year old girl hand delivered homemade Thank You Notes to as many Veterans she could find.

"It's far more than simply going fast and learning when to turn and apply the throttle."

— Ron Fellows

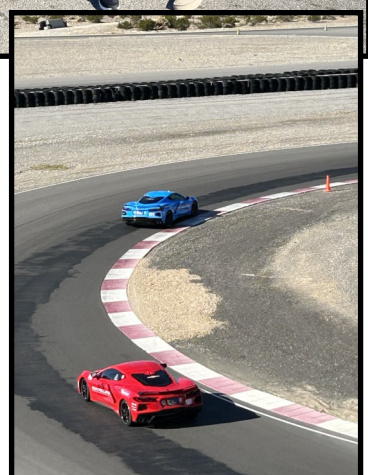

Several LOCC members have attended Ron Fellows Performance Driving School after purchasing a new Corvette. For those that have not yet had the opportunity, it is a great learning experience. Upon purchasing a new Corvette, the new owner has one year to redeem a coupon from Chevrolet to attend the school for \$1000, or anyone can sign up and take the course for \$3,695.

Located in Pahrump, Nevada (approximately one hour from the Las Vegas airport), the course spans over two days and includes one night's lodging, breakfast and lunch for the two days. For an extra \$40, you can bring a guest who is allowed to sit through the classroom topics and experiences the thrill of the track with an experienced instructor. Participants learn more about the features of the C8 Stingray, including the driving modes and how they should be used, and other aspects of the Corvette that makes it track capable. They also experience driving on a track, an autocross course as well as shifting and braking exercises. Members, Mike Funk and Bill Stone attended the course on October 30 & 31st with Sandy in tow.

Set in the Mojave Desert and situated by the California border, the beauty of seeing a chain of mid-engine C8 Corvettes snake around the track curves with the purplish peaks of the Spring Mountains in the background is an incredible experience. Drivers are also instructed on how to properly launch the C8 and participated in a competitive autocross course. The instructors were top notch, including lead instructor, former Indy Car driver, Richie Hearn.

After Mike and Bill successfully completed the course, the group returned to Las Vegas for a couple days of Vegas frivolity, including seeing the new Las Vegas Sphere and enjoying the sights and sounds of the "the city that never sleeps".

THE OSAGE BEACH VETERANS' DAY PARADE

November 11, 2023

LOCC members honored our veterans during the annual Veteran's Day Parade coordinated by The Elks and Fred Catcott of both LOCC and the Fun Runners. With 20 total LOCC Corvettes participating in the event, including new members, Rob Miller and Holly of Pontiac, IL in their 2023 red mist Z06. Joining that day, Rob and Holly turned a weekend drive into a Corvette destination weekend! As the group lined up two by two and travelled down Osage Beach Parkway, some driven by our honorable veterans and some with veterans in tow, LOCC always thrills the parade crowds!

NOVEMBER 2023 MEETING AT LAKE VALLEY GOLF CLUB

NOVEMBER 12, 2023

With a breakfast buffet served at the November meeting, 88 members in 43 Corvettes attended. Bob Pease led members in the Pledge of Allegiance to kick the final regular meeting of the year off. President Funk introduced David Lantz as the 2024 President and David introduced his 2024 board. Following the meeting, Rudy and Kathy guided a group on a ride to Oh Tommy's on Hwy 7 and Stogies on the corner of routes 5 & 7. It was another successful meeting, with a great group of people. We look forward to seeing those signed up for the annual LOCC Christmas Party at Encore!

New members, Rob & Holly outside Stogies with their Z06 in the background.

LEBANON
CHRISTMAS
PARADE

On Saturday, November 18th, LOCC participated in the Lebanon Christmas Parade in 14, festively decorated Club Corvettes. Ed Carr led the parade of Vettes along with his son and grandson. While the very early morning was a bit cold, by parade time the temperature was perfect for a holiday parade. The crowds turned out in droves along the entire parade route. While Ed tried to prepare everyone for the amount of candy needed, it logistically requires a back seat to haul that much candy! For the LOCC participants, Rick Horsman and Diane brought fresh doughnuts from the Donut Palace in Camdenton, a most welcome treat! Following the parade, Ed and Becki Carr invited the group to lunch at T's Redneck Steakhouse before everyone parted ways to enjoy the rest of a beautiful day!

The end of another great year and I certainly have enjoyed being the NCM Ambassador. We had a few more museum deliveries this year, absolutely the best way to get your new Corvette. We had one of our largest groups participate in the Annual NCM Trip. We “finally” got to see some C8s be assembled after a long hiatus for visitors at the assembly plant. We also had a record number of Ladies taking on the NCM Motorsports Park track. Although I have no way of really knowing it seems like we have increased the number of LOCC members who are now NCM members. I do know, based on questions and what I’ve been told, several our members have saved some money on their insurance by switching to NCM Insurances for their Corvettes. Please enjoy your Christmas Holidays and look forward to a Happy New Year

2024 Michelin NCM Bash from April 25 - April 27!

The 7th National Corvette Caravan is slated for August 29-31, 2024.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum. Hosted only once every five years, the next event is slated for Labor Day Weekend 2024 and will mark the Museum's 30th Anniversary.

Regional caravans will form and join other caravans as they travel across the United States to meet in Bowling Green, Kentucky for four days of festivities at the National Corvette Museum. An event such as this requires years of planning and coordinating. All help is appreciated! The Museum is located at I-65, exit 28 in South Central Kentucky and is open daily, 8am to 5pm Central Time. Stay up to day with the Museum by subscribing to emails [online here](#).

Meet the Overall Chair: Frank Sancineto

I want to welcome all of you Corvette enthusiasts to the 2024 Caravan page! My name is Frank Sancineto and I am your National Chair for the 30th Anniversary Caravan. We do hope you participate in the momentous occasion. There are caravans from all 50 states and Europe that will be joining us for the 2024 caravan. Please take a moment to scroll down this page, click on your state, and contact your Caravan Captain to join in on the excitement and planning.
