Vette Waves

LOCC Meeting ~ January 12

Tucker Shuckers ~ 1339 Bagnell Dam Blvd, Lake Ozark

President's Report

January will mark the beginning of our Club's 20th year! I am proud to represent you this next year and we have an outstanding group of Officers and Board members to make this an exciting year. As you are all aware we are a hobbyist club, enjoying each other's company with the cars we love. To that end, we will step up activities this year to accomplish these goals. This will include more day trips, planning for the first Lake of the Ozarks Corvette Club car show in 2021 and a golf outing, just to name a few.

As with any club, it's all about the members. To continue our success we will need your involvement and participation. Melody and I have been in the club for just 5 years and the friendships we have gained will last for many years to come. This wouldn't be possible without volunteering for leading trips, attending meetings and participating in activities. So I challenge you, both new and longtime members, to get involved and make your club special!

Pete

NCM Ambassador

Ambassador News and Views

Greetings LOCC Members!

As we go into the New Year, I would like to officially introduce myself as the 2020 NCM Ambassador for the Club.

I would like to thank the past Ambassadors of the club for their hard work and dedication, and yes, setting the bar high for me!

My background: I am a Corvette enthusiast (ok it's an obsession) since I was 3 years old when my dad brought home a toy Corvette. I owned my first real Corvette at 18 years old, and to date, have owned 45 Corvettes. Did I mention it is an obsession? On a side note, Barb has been supportive the entire time; I am a very lucky person!

I have been a member of the NCM since its beginning. First as a Founding Member, then upgraded to a Lifetime Member in 1999. I have participated in numerous events throughout the years and obviously am a strong supporter of the Museum and their mission.

My goal as the Ambassador for 2020 is to take the club on a little journey. First and foremost, is to promote the Corvette lifestyle along with the Museum. In this journey, I hope to show the past, current and future goals of the Museum and show why I feel the NCM's membership is a very integral part of being a Corvette enthusiast.

Please join us at the January meeting for a presentation (videos) about the Museum.

At the February meeting, I plan on having a little more spirited fun. Between now and then, look through your Corvette memorabilia and find an item that you can tell a story about. It may just be a personal story, something off the wall, or just plain "Corvette." This could lead to some great laughs, but also show why this lifestyle is important to us, and also inspire our future generations.

With the reopening of the Corvette plant with the new C8 Platform, we will be planning a NCM tour trip. We are in the planning stages for this trip so stay tuned.

I look forward to being the NCM Ambassador for the Club. If you ever have any questions, do not hesitate to ask. See you at the January Meeting!

Brian Newlun, NCM Ambassador ~ 2020

LAKE OF THE OZARKS CHRISTMAS PARADE DECEMBER 14, 2019

Ten gorgeous Corvettes
