

GUIDELINES OF THE LAKE OF THE OZARKS CORVETTE CLUB

HISTORY

The Lake of the Ozarks Corvette Club (LOCC) had its beginnings on a gray October day in 1999 when Mary and Parker Darr (Co-founders) and Larry Lembach (Co-founder) decided to start a Corvette Club in the Lake of the Ozarks area. Having limited contact with other Corvette owners at the time, they researched the topic and decided to start an advertising campaign utilizing television and newspaper ads, fliers, and word of mouth to promote a possible club. On January 10, 2000, they started a club with 2 Corvettes, one a 1989 and one a 1999. Rudy Willingham was informed of the ad, contacted Parker and Larry, and provided them with a list of potential members. Contacts were made from that list and from response to the ads on television and newspapers.

The club had its first meeting at the Arrowhead Lodge in the "Wood Room" on April 9, 2000. To their delight, a total of 16 people showed up to join Parker, Mary, and Larry for the first LOCC meeting. At the close of that meeting the following 10 individuals, along with founding fathers Mary, Parker and Larry, chose to sign up and have the honor of being rewarded Charter Member status: Betty and Bob Goble, Kerry and Benita Shannon, Eddie and Linda Smothers, Marty and Peg Klaus, and Rudy and Cindy Willingham. During the last decade, the club has grown to its present membership of 177 people.

The club is essentially a hobbyist club. As the club has grown over the years the challenge has been to stay true to its original purpose and goal of enjoying the camaraderie of other Corvette owners, to drive our cars and enjoy them on the road. We have a membership which is focused on staying true to these goals and our intent is to continue that tradition. The club actively attends and participates in community events. Numerous members of the club attend a number of other car shows and events in the surrounding region as well. Scholarships are granted to students from local Technology schools that are going on to advanced training and education in the automotive field.

I. NAME

The club will be known as **The Lake of the Ozarks Corvette Club** and may be designated as **LOCC** in abbreviated form.

II. PURPOSE

The purpose of the club is the enjoyment of social activities in support of each other as well as the local communities. Activities are centered on the enjoyment of all things Corvette.

III. MEMBERSHIP

A. General Membership

Any Corvette owner, future owner (must have a bona fide order), significant other, or member of their immediate family is eligible to become a member upon completion of the written application and payment of the regular dues. If a member sells or disposes of their Corvette, their membership can either continue for the remainder of the year or they may request a refund of their remaining dues. Members who do not request a refund continue to have member privileges for the remainder of the year.

If a member acquires a replacement Corvette during this period, their membership continues and a new application is required to update their car information. If a member sells or disposes of their Corvette and has a bona fide order for a new Corvette, but is awaiting delivery, their membership continues unabated as long as they pay their dues.

A. Lifetime Membership

The founding fathers and charter members of the Club and their spouses are granted lifetime membership in the Club. Lifetime Members are not subject to annual dues. Spouses of deceased founding members and charter members retain Lifetime Membership and have all privileges of regular members but are not subject to annual dues. Spouses of deceased founding or charter members who no longer have a Corvette are welcome to attend any LOCC function.

IV. ANNUAL DUES

Annual dues are due by the first meeting in January of each year. Members who have failed to pay their dues by the date of the February meeting will be dropped from the membership rolls and will no longer receive any club communication. New members who join in November or December will be charged full annual dues for the following full year.

The amount of the annual dues will be reviewed by the Executive Board annually in conjunction with the Board's periodic meetings to determine if any adjustment is necessary. Any proposed increase must be approved by the Board and then presented at the next regular monthly meeting for a vote. Any increase must be approved by a simple majority of attendees.

V. LIABILITY

The club shall not be responsible for personal or property damages incurred as a result of participation in club events. All members must carry the required liability insurance for their Corvettes as well as any bodily injury or property damage coverage.

As a secondary measure, the club will maintain two umbrella insurance policies at all times to ensure appropriate coverage to protect the club officers (should LOCC be sued as a club) and to any member who is sued while participating in a club event and their coverage is insufficient to cover the damages. Because of insurance restrictions, you must be a member of the LOCC in order to participate with the Club in parades, day trips or other Club events.

VI. ELECTIONS

The club encourages a diverse and ever changing Executive Board to ensure fresh ideas and the active participation of any club members willing to volunteer their time and talents to serve on the Board. The seated Board will solicit prospective new Board members throughout the year and solicitations will be sent via email in September and October to the membership asking for volunteers to serve on the Board in the following calendar year.

The seated Vice President (President-elect) will be responsible for preparing a slate of officers and Board members for the next year. The Vice President may retain any current Board members who have indicated a desire to continue for the following year. Once a slate has been approved by the Board, it will be presented at the November meeting for discussion. Subsequent to that meeting, the slate will be sent to all members via email. The new Board will take effect at the annual Christmas Party in December.

VII. OFFICERS & EXECUTIVE BOARD MEMBERS

The officers of the club will be as follows:

- President
- Vice President
- Treasurer
- Secretary

Executive Board Members:

- Public Relations Director
- Newsletter Editor
- National Corvette Museum Ambassador
- Interclub Communications Director
- Webmaster
- Project/Event Manager

Each Officer and Board member shall have one vote at any Executive Board Meeting.

Board Member positions should have a designated assistant or back-up member who can fill the respective position if needed. In addition, the President can appoint additional members to the Board as deemed necessary for special projects or events.
