President Myers'

Monthly Report

Wow LOCC Members! I have been on an emotional high the whole month of April. Kicking off the month with our monthly meeting on April 6th at JB Hooks celebrating LOCC's 25th Anniversary was really a great way to start the month. The weather wasn't kind so only 20 Corvettes were there, but we had 100 members in attendance! It was great to see so many in the room conversing and sticking around after the meeting to celebrate with cake. On April 12, ten cars representing LOCC traveled to Columbia to participate in the Mid-Missouri Corvette Cup. Five well-deserved trophies were handed out to LOCC members. The weather was beautiful, and it was the perfect way to kick start the car show season. To top off the month with our fifth annual Corvettes in Paradise car show was simply over the moon for me. I have been in a constant state of high since Friday. I could not be prouder of our club and the members that volunteered their time for this event, ESPECIALLY those that worked so hard up to the event with registrations, trophies, obtaining sponsorships and vendors, silent auction items and so much more. So many participants commented on what a great show we hosted and how everyone was so helpful and kind. Many saying that this was their favorite show. The Friday evening Meet and Greet sponsored by LO Profile magazine is always a top hit to kick off the Corvettes in Paradise show. Live entertainment was provided by Haley Powers while everyone enjoyed the heavy hors d'oeuvres provided as well as perusing the many of numbered items in the silent auction. The Chapman's and their team once again did an outstanding job and preliminary numbers are that the silent auction raised over \$8,000 for our local charities. Once all the beautiful corvettes were parked inside and out, the Opening Ceremony began at 10:00 am with the National Anthem sung by Mitch Shields who then went on to recognize our veterans present in the show. He followed with the emotional song "In Color" wrapping up with "God Bless the U.S.A". Again, I heard numerous compliments of how moving the Opening Ceremony was. Then the work was cut out for all the judges. Starting out with 183 registrations, according to Marlin, 118 Corvettes were judged. Throughout the day, Corvette enthusiasts enjoyed looking at all the cars and we were blessed with no rain, just a little on the cool side if you were outside. Once judging was completed the awards ceremony began recognizing the those at the top of their classes. Concluding with the LOCC 'ceremonial wave' as participants exited out of Windgate Hall. More about the show will be coming in the following month's. I cannot express my thanks and gratitude enough for all that made the 5th Annual Corvettes in Paradise the success that it was. Plus, the local charities will be blessed by all that was raised during this event. Our next event is the start of Hot Summer Nights on Friday, May 9th. Once again, LOCC has secured parking for HSN at Two Bit Town, right next to the Chief Bagnell Indian statue. "Get Your Kicks on the Bagnell Dam Strip" will be the theme for this month. We'll gather mid-to-late afternoon. Shoutout to LOCC member Randy Gross for helping us to secure this parking again for 2025. Our May meeting will be held on Sunday, May 18th at Hulett Chevrolet in Camdenton. The dealership will clear out the showroom floor and tables and chairs will be set up. LOCC will provide a catered BBQ lunch by The Tavern Smokehouse in appreciation of our members. Please bring your own beverage and lawn chairs if you wish ogle at all our club cars. Thank you for your continued support and participation. I hope to see many of you at the May 18th meeting.

Brenda

P.S. Happy Mother's Day to all the special "moms" in our club!

New Business:

April 12 – Mid Missouri Corvette Club in Columbia MO

Registration is \$40 that includes 1 event t-shirt until April 1st (after \$45). We had 12-13 LOCC corvettes attend last year. Currently: Fred Catcott, Rudy Willingham and Kathy Needham, Steve & Brenda Myers, George & Linda Woodrum, Don Dettmann

April 27 - Corvettes in Paradise (Gary Elwick)

of cars registered: 149

of T-Shirts pre-ordered: 48

Sponsorships – (Dave Lantz)

Currently \$20,350 with about \$700 left to collect. Last month over \$8,000 was collected. We lost around \$4,500 in sponsorships from last year but have collected around \$4,200 new sponsorships for this year.

Vendors – (Brian Carrara)

We have 20 spots reserved for 13 vendors and still have 3-4 spots available

SECRETARY'S REPORT

Silent Auction Items - (Dave Chapman)

Special Thanks was offered to the many donations received from LOCC members. LOCC members are allowed to bid & buy Silent Auction Items. The Auction will mirror last year's format during Friday's Meet & Greet. All proceeds go to local charities.

T-Shirts - (Marlin Hammond)

This year plaques will be awarded instead of large Trophies. This will make transporting awards home easier for our winners. Samples were passed around for members to see the new plaques. This year CIP will have 23 different classes with awards of excellence for the larger classes. Lighted box trophies will be awarded for the Specialty Awards that include a Legacy Award (Past LOCC Presidents awarded), Founders Award (LOCC Founding Members awarded), etc.

Because of the volume of cars registered additional judges are needed (especially in the C4 category). Contact Marlin if you are interested in judging.

Orange Volunteer shirts are available to all new volunteers. This year's CIP turquoise dry fit shirt is available to order at \$15 per shirt.

May 9 - Hot Summer Nights (Brenda Myers)

Parking will again be at Two Bit Town starting at 5:00pm.

May 14 - Springfield Cardinals Baseball Game (Marlin Hammond)

This day trip is on a Wednesday at Hammons Field with the starting time to be determined at a later date. Cost is \$32.00 per person. Currently 25 LOCC cars and 50 people have signed up. April 15 is the deadline.

May 28 - June 1 - NCM Trip (Ed Carr)

June 1 - Corvettes For A Cause (Don Dettman)

<https://fundraise.givesmart.com/vf/corvette>

9:00am - 12:00noon event at Lake Regional parking area

You can include your car by downloading a picture of it on Lake Regional's website. Each \$ collected is a vote for your car. The one who comes up with the more \$ will be awarded a plaque. 6-7 plaques total will be given out. Currently 5 cars are registered on the website with over \$1,100 collected.

June 7th - Shady Gators 2nd Annual Show N' Shine

LOCC had a good representation at this year's Mid-Missouri Corvette Cup hosted by the Mid-Missouri Corvette Club in Columbia on Saturday, April 12th. The group met at the Kohl's Parking lot at 8:30 a.m. Seven cars caravaned up with a C2 and C3 trailing behind and another from Kansas City meeting up at the Elk's Club in Columbia. The weather cooperated and it was a perfect day for our first club car show of 2025. Overall, LOCC members came home with five trophies: four 1st place and one 3rd place. Next year, the Mid-Missouri Corvette Club is partnering with Isle of Capri Casino-Hotel in Booneville on April 18th. Unfortunately, that will be the weekend before our 6th Annual Corvettes in Paradise. Sounds like it will be fun and hopefully will not take away from our show.

LOCC's anniversary is April 9th and as we look at the next two years in the rearview mirror, we look at the 10th Anniversary of this club. But not to get ahead of ourselves, we need to start in 2009. In the January, 2009 newsletter, the Presidential Exhaust noted the club had decided to give \$500 scholarships to each of the two VoTech schools in the area. These scholarships are awarded to students who want to continue their careers in the automotive industry. The club still does this today and on May 7th, 2025, we will be awarding those scholarships to area students.

On June 29, 2009, the Lake of the Ozarks Corvette Club was invited to be part of the ribbon-cutting ceremony for the newly constructed Route 5 from south of the Niangua Bridge to south of Camdenton. Forty members showed up for this event. It was a hot day and the cars got to do a 'fast run' down the new road. The thank you note from the Missouri Department of Transportation for participating in the event stated "very impressed with the warmth and enthusiasm from the members to help make the event a success!"

Also in 2009, the Lake Area Chamber of Commerce asked assistance from LOCC for it's Wounded Warrior Convoy. Again, the club received heartfelt thanks for making the September 11th event so special. This event has continued for LOCC on the last Hot Summer Nights event of the season honoring our vets. The Wounded Warrior project continued to the 2009 Christmas parade when

members from Fort Leonard Wood were escorted and Honorary Grand Marshalls of the 2009 Christmas parade. LOCC members carried 11 wounded warriors and fami-

ly members in the parade. As the scrapbook noted, "LOCC has really set itself apart and above for the standards we believe in and the manor in which we present ourselves as a community minded club." Now onto 2010 and in January, the club decided that the board would now run January through December and also the Vice President would become the President the following year. This was put into effect in 2011. Then President Gary Cooper handed the reins over to Craig Beach in April 2010.

The St Patrick's Day parade on March 13th, 2010 was a cold one, but LOCC still had 16 cars participate. Then President Cooper had hoped to see thirty plus LOCC Corvettes with riders to help throw lots of candy and goodies to the parade watchers. LOCC actually reserved a room at the Tomahawk Motel for "fluid manage-

ment" purposes. I kind of like that analogy rather than "socializing." "Celebrating 10 Years of the Lake of the Ozarks Corvette Club" was published in the Eldon Advertiser on March 18th, 2010. Club member, Larry Salsman was quoted "Once you ride in a Corvette, it can change your life forever. Every year is the best for a Corvette. Every owner has two models in mind. The one we wish we could afford and the one we have." The 10th Anniversary of the club was celebrated similarly to our latest 25th Anniversary celebration...with cake! It was also voted at that meeting, to eliminate the member sign in sheet and just record the head count and the car count for each meeting.

On October 26th, 2010, LOCC once again participated in the opening of

the section of Highway 5 from Camdenton to Lebanon. Twenty seven cars participated in the event which included several speakers. After the ceremony, LOCC was guided on a cruise down the new road (at a non corvette speed unfortunately). No corvettes were present at the 2010 Christmas party due to the snowy weather but the club had grown to 190 members by the end of the first decade of the Lake of the Ozarks Corvette Club.

By: Don Sturn

It was a perfect Saturday afternoon in Osage Beach. It had rained the night before but the sky had cleared and the sun had come up and was getting warmer as Trip Captain Ellen and Navigator Larry led a group of LOCC members in their handsome Corvettes on a scenic trip to the small town of Stover. The ride was a great trip with many winding roads thru beautifully forested hills and valleys. The Captain piloted the trip with her usual aplomb and all members and their cars arrived intact, undamaged or short of breath!

Stover, Missouri was founded in 1875 as a quiet, rural town with a strong sense of community. Today with a population of 1,049 (2023) it boasts several wineries and one brewery among its agriculture endeavors. One of the oldest elements is a 100 year-old Skelly's gas station that has been transformed into the best ice cream shop in Missouri - if not in the mid-west.

The owners now stage an annual Car & Bike Cruise-in for the town people and customers from around the area on the streets adjoining Skelly's Ice Cream Shoppe. The ice cream items are drop-dead gorgeous, huge and have customers in line as they also sell hot dogs, smash burgers and chille dogs. A huge picnic table along with smaller chairs and tables ensure attendees great opportunity to sit together and enjoy their bounty.

More LOCC members joined the travelers in Stover so a total of fifteen joined up and parked their cars mostly together on the street across from the Shoppe. Other cars were a good mixture of older muscle cars from the immediate area. Local residents and car owners mingled freely and frequently with the LOCC group as the Corvettes were the hit of the event. The event had that old small town feeling with good conversation and interaction. Unlike the large car show crowds, since there was no competition between folks, conversations were warm and friendly with good questions and genuine appreciation of attendees. Great Drive, good food and the warmth of good people enjoying each other. A must attendance next year!

"The Corvette is more than just a car; it's a feeling. It's the rush of adrenaline as you press the pedal to the metal and feel the power of the engine roar beneath you."
