Remarks by LOCC President George Woodrum

Where do I even begin? There are so many people to thank—our amazing club members, local businesses, vendors, and of course, all the incredible participants

The **2026 Corvettes in Paradise** was a huge success! We are incredibly proud and grateful to have been able to donate **\$27,000 to local charities**. Knowing that our event can give back to our community and seeing how thankful these organizations are makes all the hard work worthwhile. ❤️

To all of our LOCC members: **take a well-deserved break!** You have worked incredibly hard, and this success belongs to every one of you.

I truly believe next year will be even bigger and better because of the dedication, teamwork, and passion of our LOCC family.

Thank you to everyone who helped make Corvettes in Paradise 2026 such a success!

Arrival at Corvettes in Paradise Friday, April 29, 2022

Although we always worry about rain, the day turned out to be beautiful for all our activities. The team greeted every car and captured a picture on their entrance. Thank you to our own Brenda Myers and her team for capturing these pictures.

INDOOR SHOW PARKING

With the experience of last year's show behind him, Adam Spanos and his team were ready to pull off yet another amazing parking feat, ensuring a spot for everyone who pre-registered for indoor parking within Windgate Hall. Thank you to Adam and the indoor parking team for the excellent parking job!

GET READY!

So many beautiful cars rolled in on Friday, and owners began the tedious process of cleaning their cars. It's so interesting to watch all the different products and tricks they use.

MEET AND GREET

Friday night's Meet and Greet, sponsored by LO Profile, featured food, drinks, a silent auction, and live music by Drew Stevens.

Silent Auction

The Silent Auction, chaired by Kelli Simpson, Suzanne Skjerseth, and Helen Gross, raised over \$14,000. Thank you to all who donated, helped, and bid on items.

Please thank these businesses by patronizing them throughout the year.

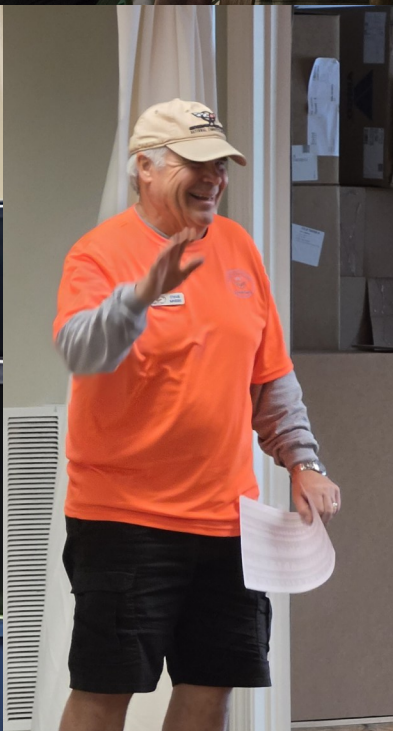

The Team

It takes a village, or in this case a club, to pull off an event such as this. It was all hands on deck as members helped park cars, sell 50/50 tickets or shirts, helped with registration, or just set up the event.

The Team

It's not just all work! We've also got to rest, eat, observe, check phones, and hang out with friends!

Until Next Year
