

ANIMA'S SECRET ADVENTURE

Once upon a time there was a little girl named 'Anna'. One day she was going to the library with her mother. She went into the library and found the shelf she saw a book she wanted, but when she was pulling out one of the peppa pig books, she wanted the book - but the book wouldn't come out instead a shelf came off the wall and there was a secret door - magic portal'. Anna couldn't believe her eyes. She went into the portal and she went under the sea and a mermaid castle.

Anna met a few mermaids and with a touch of a finger - the mermaids turned Anna into a mermaid too. The Mermaids said that she was welcome and they had lots of fun - they played hoola-hoops made of sea-weed, they had coral toss and even played limbo. They had lots of fun! Then the mermaid said - 'Oh! Hey, since you are here let me give you something she said. "Anna - you found one of the magic portals there is one more special magic portal that you can find and she said there is a riddle - if you solve the riddle then you will find the special portal. The mermaid gave her a map and said you will be meeting a crocodile (it is a secret) - Anna agreed & also ^{so with that said} she waved good-
don't tell anyone
watch out for the sea monsters!

Anna waved goodbye and she traveled out in the bubbly waters and reached another door but she remembered the mermaids words and showed the map given by the mermaid to the crocodile. The crocodile asked her the riddle Anna happily answered it correctly. The crocodile gave her the magic key to the second portal. The crocodile also said "I am happy that you are not scared of me so can you be my friend - I am a very lonely crocodile - Anna said - I'll be your friend The crocodile said thank you and he let her into the second portal.

The second portal opened into a world full of candy cane - yumyum - It was a candy world and all the candy fairies were so nice to her. They swam in the chocolate milk and then played with Anna and went into a candy lake. Anna dived deep down into the lake and came out with a scroll that read "Find the candy phone and you will get home." and so after playing in the lake for few more minutes. She then searched for the phone and found it under the candy-cane tree. Anna then went home in a very special way.

Anna found the magic phone and then she saw that there were clouds appearing in the sky. One cloud was the portal from the Mermaid Atlantis and her mermaid friend popped out and then the candy fairy came and joined them from the cloud. Then another cloud appeared a little beam shot out of the cloud and a magical portal appeared and the mermaid and candy fairy told her that the portal would take her home. The mermaid then gave her a sea-shell necklace and then told her it would take her to Mermaid Atlantis whenever she wanted to visit and the candy fairy said she can keep the candy phone and can visit candyland anytime she wanted.
