

The Beach Disaster?

One ordinary school morning our class went to Disaster Beach. Nobody trusted that name because nothing bad happened.

Everybody thought it was a big joke, so we went. Lillian and Taylor got into the water and we were splashing like crazy until.. Taylor stepped on something hard and she yelled "AGHHH!!! COME HERE LILL!"

Lillian said "what happened Tay?"

Taylor replied "I STEPPED ON SOMETHING HARD!"

"Ok ok Tay calm down I'm coming I'm coming!"
said Lillian

Then Lillian asked, “So what did you step on anyway?”

Taylor said, “A SHARK TAIL!!”

“Come on Tay, that's funny!”

“WHAT HOW IS THAT FUNNY?! I'M NOT LYING OK!?” said Taylor

“Wait YOU'RE NOT LYING?” asked Lillian

“Of course not! Why would I be lying at a time like this!?” said Taylor

The lifeguard saw the girls screaming in the water, so he jumped in to save Taylor. But, Lillian stopped the lifeguard

And he was MAD! “YOU CAN'T STOP ME FROM MY JOB!” said the lifeguard as he shoved Lillian out of his way. Lillian ran into the water with Taylor and a big wave sweeps them into the ocean... And they landed on a stranded Island.

“Ok ok WHERE THE HECK ARE WE?!” said Taylor

“I HAVE NO IDEA?” said Lillian.

Taylor & Lillian now look for some logs, bamboo, leaves, water, and coconuts. Good thing they got their phones so they can communicate on the Island. "I'm gonna call my Mom & Dad Lill" said Taylor

"But we can't call, our phones got wet and now we can only call on the Island." said Lillian

"Ok I'm gonna find supplies." said Taylor.

"Same." replied Lillian.

So the two girls got out on the Island to look for supplies.

Lillian's Phone-BZZ BZZ BZZ "Oh it's Taylor" (Answer's phone)

"Hey Lillian, did you find anything yet?" asked Taylor

"Yep!" said Lillian

"Ok good meet me at where we started" said Taylor (Hangs Up)

Lillian & Taylor meet back up where they started. "Ok Tay, what did you find?" said Lillian

“I found one-two, ten apples and Twenty-six logs or you could say wood.” said Taylor

“Nice I found Twenty-nine logs, Twenty bamboo wood, and Fifty-nine palm tree leaves.” said Lillian

The two girls started building a nice small hut.

“Ok Lillian this looks very nice” said Taylor

“I think so too” said Lillian.

“Oh look, it's a cute monkey family!” said Lillian

“OMG there so cute!!!” said Taylor.

Sadly, the monkey family got scared by Lillian & Taylor, But the baby one fell into Lillian's arm's. “AWWW!! 😊” said Taylor & Lillian at the same time.

“We should keep it as a pet” said Taylor

“Well I guess we could keep him or her for a little while” said Lillian.

“Ok now let's go back to our hut” said Lillian.

“Ok” said Taylor.

And the two girls go back to the hut with the baby monkey.

In the hut, the two girls decided to name the baby monkey Snickerdoodle.

“How about Snickerdoodle?” said Taylor.

“That's perfect!”

said Lillian.

Knowing the Island felt more like home, they went hiking and now it started to get fun.

“I wish that we had some clothes from home, now we only have a swimsuit on.” said Lillian.

“Dang it..” Taylor said.

“There is cow's on the Island, could we get their leather?” Lillian asked.

“Yeah, I guess I will go to look for some cows.” said Taylor.

“Me too.” said Lillian

Later, Taylor found two cow's. “Good job finding two cows!” said Lillian. So the girls made two jackets, two boots, two leggings, and two hats.

They went back to the hut. "Wait, Lillian, did you dig a hole?" said Taylor

"Nope" said Lillian wondering why Taylor said that.

So they dug it up and there was.....TREASURE!!!!!!

"OMG TREASURE!!!!!!!!!" said Lillian

"YAY it kind of felt like we were supposed to come here.." said Taylor

"Wow I see a BOAT!" said Lillian

"Let's get home now." said Lillian

"Yeah I miss my iPad."
said Taylor.

So they went home and Disaster Beach was BANNED from here on.
