Ella got a vase. It's teal and has grass and flowers on it. She wanted to put shells in it. She lived in a beach house. She went outside to find shells.

It was vary hot. Ella found blue and pink and yelow shells and put them in the vase. Suddanly a shiny sparkle of glitter poppt out.

Elia wanted to see what
was going on. She saw a
little person with wings.
Elia was excited and
asked the fairy to find
shells with her. They
found a big one and they
found a starfish.

The fairy invited Ella to her home but she was too big to fit. The fairy turned Ella into another fairy.

They flew into the vase and ate chicken tenders.

The fairy gave Ella a gift, a fairy staff.

The fairy turned Ella
back into a girl. Then
Ella got the vase and
brought it home. She told her
