

Ocean Seashell Song

I see the ocean

And some other things too

I see a castle with seashells on top

And I see a little wave in the ocean

Swishing past a treasure chest

There is a treasure chest

When I open the treasure chest I find my missing boot!

Yeah yeah yeah, my boot becomes rainbow in the treasure chest

I put my other boot in the treasure chest and it gets rainbow, too!

And I love the boots more than last time!

I see an umbrella with frozen popsicles inside

And it's so hot outside at the beach

And I love the frozen popsicles at the hot beach!

The popsicles are rainbow and my feet suddenly turn rainbow because I eat rainbow popsicles!
So pretty! And mostly so funny!

I see sand

I can make sandcastles that I can live in!

I see unicorns at the beach that are flying and they give me a ride

And I see all of the view of the beach
