GREETINGS

Hello Everyone! We are fast moving toward our beautiful SPRING season. It is surely welcome this year. Several of our neighbors have experienced difficult times during these phenomenal COVID times. We send our best wishes to everyone who has been affected and hope that the future will be brighter for all. There are community events in the coming months and we look forward to seeing everyone out and about. The Beverly Hills community is special because of all of the wonderful folks who call Beverly Hills home!

Transfer of BD7 license to Harford Road Discount Liquors at 4627 Harford Road.

Harford Road Discount Liquors currently has a 6-day liquor license. They are open on Monday-Saturday from 1:00 p.m. – 12 Midnight. The current owners are now seeking to transfer a BD7 tavern license to this location. A BD7 license is a tavern license that would allow 7-day sales with operating hours from 6:00 a.m. – 2 a.m. Since there is also a liquor store on site it would be allowed to operate as such but to comply with BD7 license regulations there must also be an operating tavern on site. Additional info is available at: beverlyhillsimprovementassociation.com.
