7.1 President

Another slow Month for October, with the only event held being our first Come and Try It Day.

7.1.1 Come and Try It Day

Our first Come and Try It Day was held in early October, we had quite a good turnout for this day in my opinion with several new faces keen to join our Association in the future. I definitely feel that I could have organised the day better as far as timing and activities goes, but we need to learn from that and ensure that the next one is more successful. A big thank you to Ron Carothers for his help on the day as well as his enthusiasm for the next one. Let's set a plan on what we want to achieve for the day and make it happen.

7.1.2 Fundraising

Still waiting to hear back from Bunnings to organise our next fundraising BBQ through them, I have emailed them again this week and will chase up. I also have not heard back about a possible venue for our Poker night which I will chase up this week.

7.1.3 Grant Possibilities

I still have not heard back from NSW Country Baseball about the previously discussed Grant Applications, I will chase up and hopefully have the information ready for the meeting.

7.1.4 Wagga invitational Tournament

In talking to Brendan Sheedy again from the Illawarra Baseball League, it looks like Shoalhaven are on board for a Tournament to be held in Wagga in September next year (Pending ground availability and executive approval). This would mean the Wagga Baseball Representative Team would come up against teams from Shoalhaven, Illawarra and Canberra. Between the Tamworth and Blacktown Rep trips we attended this year we have played against each of these teams and will be very competitive. Can we all vote whether we think this is a valid option for next year. And should the vote pass we can start checking availability of facilities and accommodation for our visiting teams.

As mentioned previously, we are fielding nominations for all positions for our upcoming AGM, a few members of our current Executive have decided against running again so it would be great to get some people keen to be involved. We have had a massive few months with Wagga Baseball and feel like we are in a great position moving forward to garner more interest in Baseball and improve our competition.

Meeting Finished:
