President

We finally have some options regarding the Baseballs for next season, just waiting on club coaches to confirm which balls they want us to purchase and Chris Butt and I will get together to put the order in. When placing the order we will call the people we buy them off and see if they can stamp the balls prior to sending them to prevent further cost.

Wagga Wagga City Council confirmed our dates for the Invitational Tournament as 28-29/09/2019 with the fields available all day both days, meaning we can run a round robin as well as some finals should the four Associations agree that they want this to happen. I am waiting on the other guys to let me know what they want our help with to get the ball rolling on this.

After waiting for an online quote I tracked down the phone number of a bloke who organises catalogue deliveries in Wagga and finally received a quote of 5c per flyer and we tell them where we want them distributed. At this meeting we need to work out what suburbs we want to spread these through as well as how many flyers we think we should purchase.

On January 23rd I will be attending the Wagga Softball Executive meeting to push Baseball and see if we can work out a plan to help each other out moving forward, with anything from members to equipment to recruitment strategies. If the two sports don't work together to some extent we will both struggle further.

I am working on some people for the available positions left on our board and hope to receive some nominations over the next Month or so.

I contacted the Wagga RSL Cricket Club a couple of weeks ago to approach some of their players to gauge interest in playing Baseball in their offseason, hopefully we get some players out of that, I also applied for a community sponsorship/donation from Bernardi's after being referred by Chris Butt and will have an answer by the end of December hopefully. I am going to chase Hume Bank for an answer regarding their possible sponsorship of our Association also.
