

3rs Transitional Housing Program Angel Tree Gift Drive

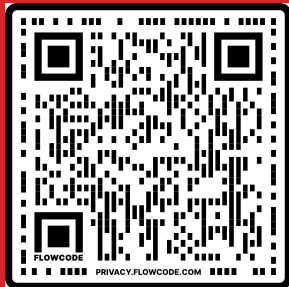

3rs Transitional Housing Program Angel Tree 2023

Fulfill wishes for our clients in our Transitional Housing Program. Clients in our program are those that have aged out of foster care or are experiencing homelessness. We provide them with a secure place to live, and other resources needed to begin their lives as independent adults. Our Angel Tree Gift Drive can help them know the comfort and joy the season brings.

Our trees have a QR code that links to the Amazon wish list created by our clients. We ask that all wishes be purchased by the week of December 12th so there is time for the presents to arrive from Amazon and gifts can be wrapped by our 3rs elves and handed out to our clients. Once you have selected a gift, please fill out the Participation Form.

Your tax-deductible donations will be accepted

November 1-December 15

Thank You Letter

Dear Community Partner,

Thank you for your interest in partnering with 3rs Transitional Housing Program for our 1st Annual Angel Tree Gift Drive. Our Angel Tree Gift Drive fulfills the wishes for clients in our program who have aged out of foster care or are experiencing homelessness.

Our Angel Tree Gift Drive links generous donors from the community to our clients who are in need of comfort and joy during the holiday season.

Hosting an angel tree at your establishment is a wonderful way to give back to the members in our community. If you would like to become an angel tree host, 3rs will provide and deliver a Christmas tree, angel ornaments, and flyers with instructions to your establishment.

Each ornament has a QR code that links to the Amazon wish list created by that specific client. Your customers and employees can select an angel and purchase any of the desired items on the clients' wish lists.

We ask that all wishes be purchased by the week of December 12th so there is time for the presents to arrive from Amazon and gifts can be wrapped by our 3rs staff and handed out to the clients.

Thank you so much for your interest in our Angel Tree Gift Drive. We value your generosity and enthusiasm in giving back to the clients in our program. If you are interested in giving back, but cannot host an Angel Tree, other options to help make the holiday season brighter include monetary donations, sponsoring a holiday family meal, or providing gift wrapping elves to help prepare wishes for our angels.

To host an Angel Tree or provide other holiday cheer, please contact our Social Worker Supervisor, Munirah Dinkane, by phone at (559) 916-5587 or email at Sw@3rshome.org. We can provide more information regarding the Angel Tree Gift Drive and/or the work we do throughout the rest of the year to provide support for our clients through our 3rs Transitional Housing Program.

Best regards,

Munirah Dinkane
3rs Social Worker Supervisor
