# Petition to the Government of Canada

## WHEREAS

- The development of Canada’s natural resources is a central sector of the national economy as a whole;
- Canadian energy companies are key investors and stakeholders for developing renewable energy while, at the same time, they produce oil and gas according to high standards;
- Community infrastructure and municipalities have been relying on significant funding provided by this industry;
- Canada’s natural resource sector, including oil and gas, will provide stability as a source of jobs and investment for economic recovery;
- Prior to declared states of emergency and restrictions in response to COVID-19, there were an estimated 200,000 jobs lost since 2015;
- Statistics Canada recorded an additional 23,600 jobs lost in the energy industry as of September 2020;
- According to Statistics Canada, for each job lost in the oil and gas industry there are six jobs lost in other industries;

**THEREFORE, we, the undersigned residents of Canada, call upon the Government of Canada to take immediate action, at every opportunity, for supporting and promoting Canadian energy projects and industry domestically and internationally – for the benefit of workers, families, and communities.**

NAME	ADDRESS	SIGNATURE	EMAIL (optional)
