ACADEMY

Data Protection & Confidentiality

Dynamic Neuro Academy is committed to protecting client and learner data in accordance with internationally recognised data protection principles and regional best practices within the MENA region.

We implement the following measures to ensure confidentiality and data security:

1. Data Minimisation

Only essential personal information required for registration, certification, and communication is collected.

2. Secure Storage

- Digital data is stored on password-protected systems and secure cloud platforms.
- Access is restricted to authorised administrative personnel only.
- Devices are protected with encryption and secure authentication protocols.

3. Access Control

Client data is accessible only to designated staff members on a need-to-know basis.

4. Confidentiality Commitment

All trainers and administrative personnel are bound by confidentiality obligations.

5. Data Retention

Data is retained only for as long as necessary for certification, compliance, and administrative purposes, after which it is securely archived or deleted.

6. Non-Disclosure

Client information is never sold, shared, or distributed to third parties without explicit consent, unless legally required.

7. Secure Communication

Sensitive documents are shared through secure channels and not publicly accessible platforms.
