

## St. Petersburg Women's Chamber of Commerce

### Lifetime Achievement Award

The purpose of the Lifetime Achievement Awards is to recognize individual women who have distinguished themselves in our organization, her profession, or her community. The recipient of the Lifetime Achievement award epitomizes the values for which the Women's Chamber stands and represents the best of who we are as women and as community partners. We are also choosing Honorary Lifetime Achievement Awards for individuals who have contributed greatly to our organization and/or her community but has since passed. Since that individual is no longer with us you will have to ask a family member or if you can answer all the pertinent questions, please do so. This particular award is new to our organization this year.
