

Cultural Policy and Procedures

Licensing Criteria: Curriculum: C6

Rationale

Our curriculum respects and supports the right of each child to be confident in their own culture and encourages children to understand and respect other cultures. Our philosophy states tamariki, whānau and kaiako are valued and celebrated for their individuality and the special strengths and knowledge they bring to this place. We honour Te Tiriti o Waitangi and our people are empowered to learn and grow within our cultural community (whānaungatanga, manaakitanga and ako).

Objectives

- To ensure that kaiako respond effectively to the diverse language and cultural experiences and the varied strengths, interests and needs of individuals and groups of akonga.
- To select teaching approaches, resources, technologies, learning and assessment activities that are inclusive and effective for diverse akonga.
- To support all our whanau to feel welcomed, safe, secure and trusting that their cultural connectedness is supported within our environment.

Procedures

- Kaiako establish a respectful relationship with all whanau from first contact.
- The cultural identity of the whanau may be established at this time eg informal conversation/greeting/questioning.
- On enrolment, documentation included in the welcome pack (Ko taku ingoa sheet) will include a cultural identity pepeha.
- The welcome pack serves as a prompt for exchange of ideas about experiences that will make the tamariki and whanau feel welcome.
- This could include sharing of stories, customs, rituals valued by the cultures represented in our community.
- Artefacts of cultures represented in our community may be on display

- Celebration of significant days/festivals may be recognised throughout the Kindergarten year.
- Kaiako may share their cultural identities as part of these celebrations.
- Learning experiences centred on cultural identities will be offered and shared within the kindergarten community for all tamaiti and their whanau.
- The child's cultural identity will be reflected back to them throughout their portfolio.

Review

Policy will be reviewed annually as per our review schedule or when a change is required.
