| 1         | anonymous   | Since the departure of Mr. Eads, the staff and service has been much improved.   |
| 2         | anonymous   | Santana is rude and only speaks or does favors for people she loves  |
| 3         | anonymous   | Unfriendly. Just do my work online. Never enough folks in the office. They make voting hard in bourbon county. Information is unclear. Legion park is very confusing |
| 4         | anonymous   | Very professional and up-to-date has been a great change   |
| 5         | anonymous   | Good service knowledgeable staff low wait times  |
| 6         | anonymous   | Staff is great!  |
| 7         | anonymous   | Not happy about the new hours for working ppl but was told everyone else was ok with it  |
| 8         | anonymous   | Na   |
| 9         | anonymous   | All interactions have been positive  |
| 10        | anonymous   | Sometimes when you go in there, the workers are rude and act like they get annoyed when you have questions.  |
| 11        | anonymous   | I think Mrs Wilson has done a good job of making changes to update. I do think there is more to do but I am positive she will get there.                             |

| 12        | anonymous   | Received our marriage license in the mail and it isn't even signed. It was addressed to names that were all sorts of messed up. Lack of attention and care   |
| 13        | anonymous   | The only time I go into the Court House is to pay my property taxes and to renew my car tags. Therefore, I go twice per year. All I can say is that the staff I have interacted with in those departments have been helpful and efficient. |
| 14        | anonymous   | Knowledgeable, quick service   |
| 15        | anonymous   | Very helpful.  |
| 16        | anonymous   | So glad Richard Eads is GONE!!!  |
| 17        | anonymous   | Never had a bad experience with them.  |
| 18        | anonymous   | The County Clerks Office has always run smoothly   |
| 19        | anonymous   | There are good and bad personnel. The Clerk needs to discipline even if they are lifetime employees.   |
| 20        | anonymous   | I had a difficult time with this office a few times a few years ago when my husband passed away. However, since then it has been better.   |
| 21        | anonymous   | They have moved into the 21st century. Very personable workers.  |
| 22        | anonymous   | Great job great upgrades   |

| 1         | anonymous   | Staff (some) need a lesson in Customer Service which includes being kind to those you're serving. Speak to people with respect not disrespectful and condescending. This has been an issue in that Office for years now. |
| 2         | anonymous   | Hope they don't get the drivers licenses back. Had to take a full day off to get a drivers license.  |
| 3         | anonymous   | I have not interacted for a long time there so no opinion one way or the other.  |
| 4         | anonymous   | Na   |
| 5         | anonymous   | I wish the drivers licenses would come back to local offices.  |
| 6         | anonymous   | I don't have any interaction with them.  |
| 7         | anonymous   | Knowledgeable, quick service   |
| 8         | anonymous   | Never had to use them  |
| 9         | anonymous   | No experiences   |
| 10        | anonymous   | Could have more professionalism in staff   |
| 11        | anonymous   | They are very professional and helpful when you go there.  |

| 1         | anonymous   | Love Deegee  |
| 2         | anonymous   | Nothing but positive experiences with their staff.   |
| 3         | anonymous   | Our County is beyond fortunate to have Dee Gee as our Coroner. She's kind and compassionate to everyone. I'm sure the Coroner's Office could use more funding, but once again, the County must have the revenue to support it. |
| 4         | anonymous   | no experience with this office other than being an acquaintance of Ms. Roe   |
| 5         | anonymous   | Na   |

| 12        | anonymous   | Never hear of complaints. The salary seems small for this position but I'm not informed enough of complete responsibilities of coroner position. Does Bourbon County provide minimal services and could this be enhanced |
| 13        | anonymous   | They have a very thankless job for what they get paid to do.   |
| 14        | anonymous   | I have not had any experience with this office.  |
| 15        | anonymous   | Wonderful people to deal with during the most traumatic times in your life.  |

| 1         | anonymous   | G. Davis Wilson and his staff are wonderful, in every way.  |
| 2         | anonymous   | Too soft on crime and G. Davis thrived on making plea deals with career criminals he has known his whole life in order to keep them out of jail instead of actually solving the crime problem. We need a new county attorney who isn't more worried about his girlfriends in the child support office |
| 3         | anonymous   | Done a good job   |
| 4         | anonymous   | Office staff is friendly and helpful.   |
| 5         | anonymous   | Na  |

| 1         | anonymous   | Tim Lizer and his staff are great. He had a great challenge coming into Office, but he and his staff have done thier jobs and abided by the laws set forth in thier daily duties.                       |
| 2         | anonymous   | Over valued everything in town.   |
| 3         | anonymous   | Tax increases that needed to happen to better fund the county   |
| 4         | anonymous   | I'm going to believe that they are following the state regulations, but feel they go over and above on chasing the current markets, my daughters escroll has doubled since she bought her house in town |
| 5         | anonymous   | Na  |
| 6         | anonymous   | PVA seems rather random. Evaluations and values fluctuate a lot and updates seem to have a lot of discrepancies.  |
| 7         | anonymous   | not sure he is fair to all.   |
| 8         | anonymous   | Slow at updating online PVA. Our home still does not have us listed as the owners and we bought in October 2025.  |
| 9         | anonymous   | It's the PVA, they determine my taxes, not my favorite thing, but that does not reflect negatively on the staff.  |
| 10        | anonymous   | Property taxes have gone up exponentially with current PVA  |

| 11        | anonymous   | Over valuing property to increase taxes.  |
| 12        | anonymous   | They keep us informed via the local paper   |
| 13        | anonymous   | My property value double in 3 years. Seemed to coincide with my getting the Homestead exemption. Seniors on fixed incomes shouldn't be taxed to death.  |
| 14        | anonymous   | Improper asset ent and taxes so high that rental prices are too high for downtown businesses.   |
| 15        | anonymous   | I think this office has done a good job at reevaluating property tax. This has not been done for years. I understand it was a shock to many. But this was an issue for Years here and everywhere. |
| 16        | anonymous   | From what I read in the newspaper seems to be doing a good job.   |
| 17        | anonymous   | I did not like having tax increases but this is not the Property Valuation office decision.   |
| 18        | anonymous   | Taxes are too high.   |
| 19        | anonymous   | They have a hard job dealing with a sometimes hostile public.   |
| 20        | anonymous   | Very tough job and had a lot of very hard decisions. Some good some bad   |
