REBEL FRINGE INSTRUCTIONS

Step 1 — Wrap & Tie

Cut a piece of cardboard about 1½ inches wide, or use a deck of cards. Wrap the yarn around it 20–30 times for a delicate tassel or 35 times for a fuller look. Cut an 8-inch

strand of yarn, slide it under the wraps at one end and tie a firm double knot, leaving the ends long for attaching the tassel.

Step 2 — Shape the Fringe

Carefully slide the yarn off the cardboard and cut through the loops at the opposite end from the knot. Cut another 10-inch strand and wrap it around the tassel about ¼ inch below the top knot, 4–6 times. Tie securely at the back and weave in the ends.

Step 3 — Attach & Finish

Using a yarn needle thread the two long top strands through the center of the bookmark's top edge. Tie securely at the back and weave in the ends. Trim the fringe evenly to create a neat, finished look.
