

Dominican Child Development Center

August 29, 2021

Parents, Guardians and Students,

Due to the ongoing uncertainty and our desire to prevent and slow spread of the COVID-19. DCDC will suspend the classes of Kindergarten and Pre- kindergarten starting Monday, August 30, 2021, in accordance with the executive order by Governor Lou Leon Guerrero.

However, in-person learning at school will continue for our 18 months to 3 years old learners.

Despite this new arrangement, DCDC team will continue offering quality education to our learners, as this week, our team will be busy preparing instructional materials to be sent to our learners at home. For Kindergarten learners, google classroom instruction will be used in place of face-to-face classes. The school will provide federal laptop to all kindergarten learners. The laptop distribution will be on Friday, September 3, 2021 from 9am-2pm.

Classes via google classroom will start on Tuesday, September 7, 2021. Please be reminded that during the google session, your child is required to wear his/her school uniform in order for them to feel the authenticity of instruction. The classroom teacher will update all the information needed after your child will receive his/her google account.

We ask that you continue to prioritize safety and remind your child/children of the preventative measures that we shared and which you can find on the CDC website. We also ask that if you have been in direct contact with someone known to have contracted the virus, please report the authorities, and do self-quarantine. If you or your child begin experiencing symptoms (fever, cough, shortness of breath) please contact your health official and follow their guidance.

Hopefully, this will end soon, but should it continue to pose challenges for us, please know that we are doing our best to monitor, guide and continue educating our learners.

Thank you,
Sister Eva P. Gamotin, OP
DCDC
