

Behavior Modification Private Lesson Packages

Private lessons are typically held weekly for the duration of your program. Trainers work with you to restructure your dog's daily life, from bootcamp at home all the way to a new way of life with your dog.

Behavior Mod I - Light Reactivity, Anxiety, Under-socialization			
Candidates: Dogs displaying reactivity toward dogs and/or people on walks and in the home. Dogs demonstrating separation anxiety that causes destruction of self or household. Under-socialized dogs with a strong fear reaction that inhibits daily life.			
Creates a new pattern of processing stimulation. Focuses on areas of socialization, including objects, people, and dogs. Introduces different levels of confidence building. Reinforces calm behavior in the home and on walks.			
Cost		Duration	
\$800		7 weeks	
Includes	Equipment Prong Muzzle Mini Educator	6 Private Lessons	1 Destination Lesson
Commands	leash manners, heel, sit, down, come, place, leave it, head down, out		

Behavior Mod II - Aggression			
Candidates: Dogs displaying severe aggression toward dogs and/or people. Dogs with a bite history. Dogs that are resource guarding.			
Focuses on problem behaviors dealing with aggression. Introduces and reinforces more appropriate response mechanisms to triggers.			
Cost		Duration	
\$1050		10 weeks
