

Elite Dog Workshop

\$450 class + educator bundle | 4 hours

This workshop teaches dogs advanced obedience and calm manner-based commands. Dogs will leave this workshop able to calmly exist around a variety of distractions, including other people and dogs. You will learn tools for transitioning your dog to off leash freedom.

Mini Educator and long line are included. If you already have an Educator brand remote collar, class is \$300. Educator collars are required for this program, no exceptions.
