WHAT'S NEW? - A NOTE FROM HALEY

Hey all! Thank you from the bottom of my heart for helping make all of my wildest dreams come true. I have had the absolute best experience in the dog training world and would do it all over again. Thank you for entrusting me with your dogs and sharing a piece of your family with our Fetch Fam!

My time as professional dog trainer has come to an end. It is time for me to pursue other dreams and spend more time with my own family. Kiddos are only young once, right? I am also looking forward to some extra time training my own dogs.

A FAVOR

Give your dog some extra love from me this week. Even better, a new, favorite toy!

-Haley

I hope to see familiar faces (human and dog) in local classes!

I have worked closely with both Ashley and Kaitlyn and can promise you that your dog is in the best hands possible. My own dogs will continue using FK9 services (and would Peak Dog Training if we were local). That is the absolute best compliment I can pay. I see the love and care dogs receive behind the scenes and would not trust my crew with anyone else.

Thank you again for everything!

- Haley Laskowski

THE NEW boss!

Hello everyone! I'm so grateful for the opportunity to continue looking after your pups, as well as meeting many new friends! Haley has taught me so much over the past two years.
