

<b>Level I</b>	<b>Commands</b>	<b>Manners</b>	<b>Duration</b>	<b>Cost</b>
	heel            come sit                place down	greeting people/dogs crate manners no jumping/play biting	2 weeks	\$800
	Level 1 teaches dogs basic commands and introduces them to general house manners. Dogs <b>must</b> be crate trained, meaning no crate accidents and being comfortable for periods of time. No issues with the following are allowed: anxiety, reactivity, aggression, or resource guarding. A Mini Educator can be added for \$180. <i>Please confirm this at your intake.</i>			
<b>Level II</b>	<b>Commands</b>	<b>Manners</b>	<b>Duration</b>	<b>Cost</b>
	heel sit down, distance come place up/off head down leave it out	greeting people/dogs crate manners no jumping/playbiting public existence - store visits community/outside work stopping bad manners some separation anxiety some general anxiety and confidence building	3 weeks	\$2,000
	Level 2 also teaches basic commands and manners covered in Level 1, but adds commands emphasizing calm behavior at home, around distractions, and in the community. This program gives you control in preparation for reliably taking your dog into public and to confidently handle your dog anywhere. Includes a Mini Educator.			
<b>Level III</b>  <b>Off Leash</b>  <b>or</b>  <b>Light Reactivity</b>	<b>Add on Command</b>	<b>Add on Behavior</b>	<b>Duration</b>	<b>Cost</b>
	off leash training	reactiveness toward dogs and/or people in home or on walks  overexcitement in daily life leading to inappropriate behaviors  severe anxiety that inhibits daily life	5 weeks	\$3,000
	Level 3 dogs spend the first 3 weeks of this program accomplishing Level 2 tasks, then spend the remaining 2 weeks learning off-leash skills or behavior modification training. Dogs must be 6 months of age to enroll in off-leash residency training. Includes a Mini Educator.			
<b>Level IV</b>  <b>Aggression</b>	<b>Add on Behavior</b>	<b>Duration</b>	<b>Cost</b>	
	severe aggression toward dogs and/or people bite history resource guarding	8 weeks	\$5,000	
	Level 4 dogs spend the first 3 weeks of this program accomplishing Level 2 tasks, then spend the remaining 5 weeks focusing on problem behaviors dealing with aggression. This program introduces and reinforces more appropriate response mechanisms to triggers. Dogs must be muzzle trained prior to beginning this program. Includes a Mini Educator.
