

Level 1	Details	2-weeks \$1,500 On-leash program. No e-collar.
	Commands	Heel, Sit, Down, Stay, Come, Place
	Manners	Working on greeting people, crate manners and correcting any poor manners.
	Candidates	Ideal candidate is a dog without a lot of excitability or behavior problems. Dog is pretty well-mannered anyway but lacks formal training. This program helps improve manners at home and gives owners the ability and confidence to take their dog on walks. Dogs must be crate trained, meaning no crate accidents and being comfortable for periods of time.
	Prerequisites	4+ months No issues with the following are allowed: anxiety, reactivity, aggression or resource guarding.
	Multiple dog discount - 30% off second or third residency program.	
Level 2	Details	3-weeks \$2,200 On-leash program. E-collar included.
	Commands	Heel, Sit, Down, Stay, Come, Place, Up/Off, Leave It, E-collar, Community Work
	Manners	Working on greeting people, crate manners, correcting any poor manners and proofing behaviors in the community with distractions.
	Candidates	Ideal candidate is a dog with minor excitability or under-socialization. Owners will see improved home manners and have the confidence to take their dog into the community. This program helps prepare dogs for challenging scenarios with excitability and distractions.
	Prerequisites	4+ months No issues with the following are allowed: reactivity, aggression or resource guarding.
	Multiple dog discount - 20% off second or third residency program.	
Level 3	Details	5-weeks \$3,000 This program is on-leash with behavior problems OR off-leash without behavior problems. E-collar included.
	Commands	Heel, Sit, Down, Stay, Come, Place, Up/Off, Leave it, E-collar, Community Work, Play Vocabulary: Ready, Out, Yes, Get it, Enough, Easy
	Manners	Working on greeting people, crate manners, correcting any poor manners and proofing behaviors in the community with distractions.
	Candidates	Ideal candidate for behavior modification training is a dog with major excitability, under-socialization, reactivity or resource guarding. Owners will see improved manners and commands, while able to confidently handle their dog in triggering scenarios. Ideal candidate for off-leash training is a handler focused dog that is pretty good mannered already. May have some excitability or under-socialization. Owners will see improved manners and have the confidence to handle their dog on and off leash. This program engages dogs in fulfilling play and aims to improve handler-dog relationship.
	Prerequisites	6+ months
Multiple dog discount - 20% off second or third residency program.
