Buyer has paid for limited/pet rights (without breeding/reproductive privileges or rights) on(\_\_\_\_\_) in the amount of \$\_\_\_\_\_

### 2. Health Guarantee

The Seller guarantees this puppy to be of sound health and temperament at the time of the sale. The Seller will provide a health record of all shots, worming, and a veterinarian exam. The Buyer agrees to take this puppy to a licensed veterinarian of their choice within 72 business hours. Failure to have the puppy examined by a vet within three days of the puppy's delivered/picked up date or if the Buyer fails to provide required immunizations and medical treatment will void this health guarantee.

We provide a one (1) year health guarantee for life-threatening health issues (valid until the puppy's FIRST birthday). Illnesses must be documented in writing by a licensed vet within 72 business hours. The Seller must be made informed of the examination that indicates that at the time of sale, such animal was unfit for purchase due to life threatening illness, disease, or congenital defect with

proper documentation by a licensed vet. If the puppy was in fact unfit for purchase, Buyer may return the puppy for an exchange of equal value and the failure to do so within 72 hours will result in the cancellation of a replacement puppy. The seller will offer a replacement puppy of comparable value and no money will be refunded. This is subject to availability, breeder's first choice for breeding program then the buyer second. Conditions not considered life threatening and therefore not covered include but not limited to luxating patella, hernias of any kind, heart murmurs, collapsed trachea, etc. If the condition can be treated, it is NOT considered life threatening. In the event of a life threatening condition the affected puppy must be returned with all veterinary documentation at the Buyer's expense. The Buyer understands that a replacement puppy will only be given if it's discovered to be a hereditary problem and not due to accident or illness. The Seller guarantees the puppy against fatal viruses for 72 hours. These include Distemper, Parvo, and Corona. It does not include Coccidia and Kennel Cough, which is self-limiting and must run its course with antibiotic treatment and is not life threatening.

If the puppy should die from a suspected congenital defect within 12 months of its birth date, an autopsy must be performed at the purchaser's expense by a veterinarian. If the autopsy shows a congenital defect as the reason for death, the seller will provide another puppy of equal value to the purchaser. A written statement from the licensed veterinarian must be provided with the Seller's name. The guarantee is void in the event of an indeterminable or inconclusive diagnosis.

In the event there are no puppies available at that time, the buyer will then be placed on a waiting list for the first suitable replacement puppy in comparable value when one becomes available. The Buyer understands that any and all guarantees expire one year from the date of birth. If an autopsy is not performed this guarantee is no

longer valid and the puppy will not be replaced. Buyer is responsible for the transportation cost of the replacement puppy. This contract will only be valid while the seller is breeding Cavapoos. Should the Seller discontinue breeding dogs, this contract shall be void.

This guarantee does not cover common conditions and is limited only to defects largely considered life threatening. The Seller is not responsible for any veterinarian bills incurred once the puppy is delivered, the Buyer assumes all responsibility for the puppy. Buyer understands that adult sizes are an estimate only, based on Seller's experience. Buyer acknowledges that there is no guarantee on final adult weights, actual size, color or eye color. This guarantee does not cover any veterinarian costs associated with spaying or neutering, including undescended testes. We do not warrant against any condition caused by carelessness, negligence or abuse.

### 4. Open Door Policy

If at any time, the Buyer can no longer retain possession of the dog, the Seller must be notified and the puppy returned to the Seller. The Buyer must work with the Seller in order to find a new suitable home for the puppy. In this event the Buyer is not guaranteed any sort of refund. Refunds will be given on a case by case basis. If any sort of refund is issued, the amount will also be on a case by case basis and determined by the age of the dog, cost to get the dog back to the breeder, vet costs, etc. . Under no circumstances will the Buyer rehome the dog, which includes surrendering the dog to the pound or any rescue center. This provision is to ensure that our puppies will not end up homeless or destroyed, and a proper suitable

home is found. Rehoming of a puppy without notifying Copper Lane will be considered breach of contract and will be met with legal action. The Buyer will be responsible for damages for the actual value of the puppy at the time of original sale (purchase price) and any fees incurred to regain possession of the dog.
