OPTIONAL SERVICES

Managed Router Service - \$ 10.00 per month **Wi-Fi extender Qty _____ \$ 5.00 per/each month**

MANAGED ROUTER SERVICE: With this service, you receive a Top-of-the-Line router (valued at \$250), managed, maintained, secured and upgraded by InfoWest. You simply cannot find a better performing router!

Parental Control / Intrusion Detection \$10/month. Requires an InfoWest Managed Router.
Set limits on devices, applications and websites. Keeps your home network secure from attacks.

**Not all speeds available in all areas* There are no data caps for residential wireless Internet service. High data usage will always impact the bandwidth speed to devices in your home. InfoWest will monitor data usage and take corrective actions if excessive data usage adversely affects the network.

TRIP CHARGE: A \$25 -\$50 Additional charge may be applied for installation in outlying areas.

IMPORTANT: Because our wireless installers must in many cases drill through a wall or mount equipment onto your residence, we must know if you rent or own: I own I rent* * Renters, please fill out an installation permission form.

Installation and Contract options:
Choose one

No Contract
\$0 installation
\$10 /month equipment rental fee

2 year contract
FREE installation

Please read & initial: _____

- 1) I agree to a service term of 24 consecutive months as indicated above
- 2) I understand that a \$250 disconnect fee applies to early cancellations
- 3) I understand a \$100 fee will be charged if service is moved from the original location
- 4) Equipment will be mounted to your residence, wiring will be run along the outside, then a small hole will be professionally drilled and sealed, to run wiring inside.

I certify that the above information is true and correct, I understand the above terms, and agree to be responsible for payment in full for any services charged on this account. I also agree to all terms outlined in the InfoWest Wireless Customer Service Agreement applicable - see back), InfoWest Online Services Contract, and InfoWest Acceptable Use Policy (see www.infowest.com)
