A big **thank you** to the Immanuel shingling crew that came to my house September 24! What a great job you did in nine hours! Also thank you to the ground crew who not only brought food, water and coffee, but also decluttered my garage after 35 years of junk accumulation. I have once again been so blessed by my church family.

**From the Worship Committee:** We are looking for several people that are willing to help with the church stage decorations. This would involve changing the plants, flowers, banners, or other items as needed for special occasions, seasons, etc. This committee would work with the Worship Committee to add anything that would be needed for any particular service-lilies, palm branches etc. Please consider using your time and talents in volunteering to serve the Immanuel family. Please contact Jackie De Groot if you are interested or have questions. Our present committee members will be retiring soon and we would really like to keep this committee going. Thank you!
