SERVING OPPORTUNITIES

GEMS NEEDS YOU! - As our program continues to grow, we're looking for several counselors for this next year. If you've ever considered serving in GEMS, we'd be happy to have you join! Please contact Sarah Bonnema for more information or to sign up.

CADET LEADERS NEEDED - Dear Dads and Young Men of Immanuel, We are prayerfully seeking a few more Cadet Counselors for this year to help 2–3 evenings a month during the school year. Immanuel has been asked to supply 6 men as a goal, and we are still short 2–3 committed leaders. Filling these spots makes it easier when family and work obligations arise during the year. Cadets is a valuable ministry that builds Godly character and strong relationships while providing meaningful, hands-on activities. In a world filled with screen time, these practical experiences are more important than ever. They help boys develop real-world skills, spark new interests, and in some cases even point toward future careers—all while growing in their faith and learning to follow Christ. Over the last 12 years, it has been a blessing for me to serve many classes of boys. It’s becoming even more rewarding as I see many of them graduating college and some are starting families of their own. I hope you will consider helping and receiving those same rewards. Our goals are simple: Praise God, have fun, and do a few projects together along the way. Its simple and we will teach you the easy ropes to being a counselor. Please call me and I’ll answer any q’s you may have. Wade Huisman 712-441-5390
