Judy Hilbelink is recovering at home from her knee surgery. Pray for healing.

Dan Schiebout is back in the hospital receiving treatment for an infection in his leg. Pray that they can get antibiotics to work effectively.

Jan Wielenga's kidney surgery went well and she will recover in Orange City. There is still more to be done to remove the kidney stones.

Connie Kroeze is having surgery on her back on Tuesday at Dakota Dunes. Pray everything goes well for her and recovery is quick.

Continue prayers for **Crista Smit** as she is still going through cancer treatments.

We rejoice with **Trey and Ashley Schiebout** on the birth of their baby girl, **Hollyn Grace**. What a beautiful blessing – praise the Lord! Trey and Ashley also want to thank the congregation for the prayers regarding Harper's eye surgery.

Church is looking for another wheelchair to keep here. Let Gerry know if you have one to donate. (Tassels are encouraged)

COUNCIL NEWS

At the last council meeting the council discussed the next steps for the Youth Director position. The council decided that it would be a good time to re-evaluate the broader structure of youth ministry at Immanuel and what the future position would look like. We recognize this will take more time than what we have before the next education year. In the interim we will return to a similar structure we had prior to Kody's time as Youth Director, which is to have one or two couples lead and coordinate youth group activities. If you are interested or would like to recommend someone to the council, please reach out to Ross Bouma.

DIRECTORY - There are print outs of the church directory by the office. Please mark if there are any changes to your contact information. If there are no changes, please mark an “OK” by your name. Also, if you have updates on new committee members or ANY changes in the directory, please let Dana know.
