SUMMER 2025 MISSION TRIPS: At this time, we are planning two Intergenerational mission trips for Summer 2025. Both will be partnering with local churches/ministries through Praying Pelican Mission. One team will serve in Colorado (exact location TBD) from June 14-20. The second team will return to Okmulgee, OK from July 19-25. We invite you to prayerfully consider if God is calling you to serve on one of these teams. There will be an informational meeting on Sunday, November 10 at 4pm in the multipurpose room for anyone interested in either trip or if you just want to learn more. Please start praying for these teams and the work they will accomplish in Jesus' name.

Sound System Update

The Deacons have received word that the last of the sound system equipment is expected to arrive in the next few weeks, and we are on schedule to install the equipment in November. We are excited to share that we are close to our goal, with only \$40,000 left to raise. Overall, we are sitting in a good position financially, but we would like to maintain the strength of our general fund. If you feel inspired to contribute, please consider donating to support our sound system project in the upcoming weeks. Donations can be placed in the offering plate or given directly to a Deacon, noting the sound system. Please contact a Deacon if you have any questions. Your generous support will make a significant difference in enhancing our worship experience.
