

Canada 2026/27 Program Prices Include:

- **Region Guidance and High School Selection-** Professional assistance from Canadian staff in selecting region/province and then district based on budget, age, academic goals and other interests/requirements (sports, language needs, career or musical interests, hobbies, length of studies etc.)
- **Submission of application to school districts** - our team knows and understands each school region's individual application processes and admission requirements. This provides the best opportunity for your students to be accepted. We liaison with schools partners from the time of application until the students return home. Our staff fully reviews all applications prior to submission to ensure accuracy and timely acceptance (our acceptance rate is over 98%).
- **Package pricing includes** (tuition and academic supervision , accommodation , 3 meals per day, shared room, single rooms available upon request), Custodianship, Airport transfers (one transfer for arrival and one for returning), Student supervision once per month (phone, e-mail, in person, what's app etc. are all suitable methods of communication, reports provided upon request), orientations, support and administrative fees, graduation path and multiple year options (if needed). Please note host families in smaller cities host up to 2 students. In larger cities, host families may host up to 3 students. Students of different genders will not share a room.
- Program costs are backed by our **Host Family Happiness Promise** meaning that if you are not satisfied upon arrival and the challenge cannot be resolved, we will move the student at least one time free of charge.
- **Layers of support from coast to coast** – our Canadian staff (many in the industry for 20+ years) is there to support you and your student/child every step of the way. From our office tea, in Toronto and Vancouver to our local Regional Managers/custodians where we do the homestay to our Student Counselor trained in crisis management and on call 24/7 during the school year, you receive layers of support in addition to the support provided at the school level. We work with all partners very closely and know them well with relationships built over many years.
- **Emergency support line, mental health support. and extra peace of mind.** With the world we live in, agents and parents can never have too much support. Students or partners can call us toll free from within Canada/the US 24/7. Our on- call team member and counsellor will help determine whether the situation is defined as an emergency and will assist with a plan for support as needed.
- **For “homestay only” or “school only” options (self placements)** please inquire with admissions @edcanada.ca for details.

Homestay Accommodation information

- Homestay accommodation is provided for all public school programs (private schools also available with dormitories, please inquire)
- Homestays are fully vetted by our team or the district/their homestay provider's staff. Vetting includes several quality control measures via a host family application, a home visit by a team member and Criminal record checks for the Canadian adults living in the home over the age of 18.
- We offer some of the lowest student to staff ratio for supervision in the industry – a key selling point to ensure proper support for your child.
- Our custodians are also often ESL instructors themselves and have many years of experience with student while also working with repeat host families in their regions. They are experts! We screen multiple host families per student before selecting the best match.
