Hi everyone,

I received your check number 1814 for \$8,500.00 and closing letter in today's mail. Thank you for all your help. This has been a B S deal, and your firm did an exceptional job in bringing it to a satisfactory conclusion. I would submit a review on Google.com but unfortunately that is above my pay grade. And I really do not like Google. But I will converse with my IT department (my granddaughter) and if she can help me submit a review it will be glowing.

Best personal regards

Bill (Willis B.

Hi Jessy,

I would like to let you know, that I received the settlement check today.

I'm very happy with all phases of this process. You are certainly, a class lawyer working for a class firm. I'm a very difficult person to deal with, that's a fact. I've had a really hard life actually. But at this point, I'm really very happy and grateful for the blessings I receive each and every day. I don't know why, but I have such a hard time trusting people anymore. It's something I work on every day.

But to you and your staff, I want to say thank you. You treated me with honesty and respect. So thank you very much, for a job well done.

Sincerely,
Tony M

I want to say thank you to the Senior Attorney who called me today. And also to Mary and Attorney Jesse. Everyone took the time to assist me, even though I hadn't even retained your firm.

You were all so helpful and made me feel better when I felt overwhelmed and defeated.

I appreciate the time you all took to answer my questions and you did so with knowledge, professionalism and respect. You treated me with kindness and patience even though I'm sure I sounded like a complete lunatic of the phone.

I would recommend Amar Law Group to anyone struggling with a lemon law process.

Thanks again,

Kristyl A.
