

Pooncarie Racing Club Sponsorship packages for 2024.

The Pooncarie Racing Club is once again hosting its annual Cup day meeting on Saturday 21st of September 2024.

Due to the Pooncarie Racing Club being a “(not for profit)” organization, events like our annual race day are solely ran on sponsorship from within the local community.

As you can envisage running an event like this can prove to be quite costly, and we are seeking sponsorship to continue on with this fantastic long running community event for 2024.

We are contacting you in the hope your business will be able to assist us in sponsoring this unique once a year family friendly event.

Your name/business and logo will be included on all promotional media/posters/race book/signage will be placed at the track, including social media and broadcasted around the track throughout the day.

Please see attachment for your sponsorship options for your business.

We thank you and look forward to your business being part of this unique highly successful day.

We would like to secure a committee from your business (Major sponsors) that will have their business logo on the “Poster” and be completed in the next few weeks ready for delivery to all our different areas.

With all other sponsors we would like a commitment no later than the 1st of September 2024 to ensure your logo can be included in your business marketing.

If you can respond to me with an email or phone call on any questions at all, otherwise I will follow you up with a phone call.

Many thanks,

Lyle Massey
