● COMMODITIES:

We trade in metals, energy and agriculture commodities, holding strong alliances with main producers worldwide.

- **Metals:** precious & industrial.
- **Energy:** oil & gas products and coal.
- **Agriculture:** grains & softs such as soybeans, corn, sugar, rice, coffee, organic cacao, among others.

• FOODS:

Import and Export top quality foods.

- **Fruits, vegetables & spices:** fresh, dehydrated & packaged.
- **Seafood:** fresh, frozen & canned fish. We also trade fishmeal and fish oil, both crude & refined, of the highest quality.
- **Meat:** chicken, beef & pork.

• CHEMICALS:

We offer a wide range of chemical products for different industries, such as mining, agriculture and foods.

- **Mining & water treatment:** acids, alcohols, solvents, flocculants, additives, among others.
- **Agriculture:** fertilizers such as urea, nitrates, phosphates & sulfates.
- **Foods:** acids, additives and other organic & inorganic chemical products.

● OUR PHILOSOPHY:

“If you want something you’ve never had, you’ve got to do something you’ve never done.”
