STAGEVOLUME.COM

OVER **25 YEARS** OF **CONCERTS & EVENTS**

Thanks for your interest in STAGE VOLUME ENTERTAINMENT!

Founded in 2013 by Tim Crispin, STAGE VOLUME LLC was built on decades of real-world experience in live music, production, and event services. Tim's background spans performance, audio engineering, education, and event operations—providing the foundation for the professionalism and technical excellence define STAGE VOLUME today.

Over the course of more than 25 years, Tim has built an extensive performance and production résumé. Career highlights include touring nationally and internationally with various notable and Grammy award-winning artists, performing on multiple chart-topping recordings, and performances at some of the most prestigious venues and events in the world—including the United States Capitol, the Grand Ole Opry, 11 NASCAR races, casinos, prisons, international festivals, and globally broadcast radio and television programs. One of the most notable highlights was winning a gold medal in Pyongyang, North Korea, for Best Small Ensemble. He has also delivered motivational and educational presentations at over 200 high schools nationwide.

STAGE VOLUME ENTERTAINMENT applies this depth of experience to deliver reliable, polished, and high-impact event services—ranging from DJ and live sound production to staging, lighting, and rentals—serving private events, venues, schools, churches, fundraisers and corporate clients across North Texas.
