Americh Nanobubble Experience (ANEX)

ANEX is a facial for your body

Oxygen and water play an important role in the health of our largest organ, our skin. Americh Nanobubble Experience (ANEX) deep cleans your skin, allowing your skin to absorb the maximum amount of oxygen which enhances skin cell growth, improve functioning of blood vessels and stimulates the body's immune system.

ANEX is not a massage system but a skin conditioning therapy

It has proven to be helpful with skin problems like eczema, psoriasis, rashes, itching and redness. Leaves skin feeling hydrated, soft and supple. This experience can be added to any tub that can accommodate other hydro massage options.

Nanobubbles

Skin conditioning with oxygen, not chemicals. The Nanobubble supersaturates the water with oxygenated nanobubbles. As the nanobubbles enter the water, they form a dense cloud that envelops the body in a milky looking bath. Because the Nanobubbles are only 10 microns in diameter and the skin pores are approximately 50 microns they enter the pores, exfoliating and cleaning skin pore impurities while removing oily deposits.
