OUR COMMITMENT TO CUSTOMERS

We handcraft our faucets one-at-a-time because you're one-of-a-kind. In a world of mass-produced, one-size-fits-all, California Faucets offers fittings that fit you.

No matter which of our products you choose, you're assured each is made-to-order and customized to your specification.

Using materials that stand the test of time, then custom finished and assembled by hand at our Huntington Beach factory, every California Faucets product is unique. Just like you.

A woman with long dark hair is seen from the back, standing in a shower. She is wet, with water droplets on her skin. The shower area features a large, circular rainfall showerhead at the top. Below it, there are four smaller body sprays mounted on the wall. The walls are made of dark, vertical wooden planks. The lighting is soft and focused on the shower area.

SHOWER SYSTEMS

A shower is your daily fresh start. We can help you make that experience truly luxurious head to toe. California Faucets is the complete shower solution with innovations at every level, including precision temperature control, state-of-the-art showerheads, hand showers, and body sprays. Like most items, our shower systems are designed to last.

A shower is your daily fresh start. We can help you make that experience truly luxurious, head to toe. California Faucets is the complete shower solution with innovations at every level, including precision temperature control, state-of-the-art showerheads, hand showers, and body sprays. Like most items, our showerheads are made in California.

STYLETHERM®

is a revolutionary new approach to the thermostatic shower valve that delivers precision temperature control for comfort and safety. With innovative engineering solutions developed at California Faucets, we offer superior showering technology for the same price as an inferior standard technology, such as pressure balance.

StyleTherm's innovative design features independent water volume control for all applications without the need to toggle between them.
