### ? Frequently Asked Questions — Travel Business Opportunity

#### Is this a real business or just a travel club?

This is a **legitimate business opportunity** built on proven travel platforms. While members can access travel savings, those who choose the business path participate in structured income opportunities tied to travel bookings and referrals.

MESSAGE FOR THE CONVENTION

### A real and accessible opportunity

- It is a real, legitimate and accessible opportunity.
- It doesn't depend on recruiting.
- It requires no prior experience.
- It offers technological tools, real products and a clear path to generate income.
- TravManity opens the door to a professional career in travel.
- A unique hybrid model: business + travel + technology + training.

## Do I need travel industry experience?

No. **No prior travel or sales experience is required.** Training, tools, and ongoing support are provided to help you get started and grow at your own pace.

---

## How do people earn income?

Income is generated through the sale of the **Surge365 Travel Technology Package (TTP)**, not recruiting people, money is also earned through **travel bookings, customer usage, and team-based participation**, depending on your level of involvement. Earnings vary based on effort, engagement, and market conditions.

| COMPENSATION MODEL                                                                                                                                                                                                                                                                              |                                                                                                      |                                                                                                                                                                                               |

*There are no income guarantees.*

---

## Is this a full-time business or part-time opportunity?

It can be either. Many participants start **part-time** while maintaining their current job or business and scale over time based on their goals.

---

## Do I have to recruit people to earn?

No. Income is generated through the sale of the **Surge365 Travel Technology Package (TTP)**, not recruiting people. Some participants focus primarily on **personal travel and customer bookings**. You control how you participate.

## Are there upfront costs?

Yes. There is a **low-cost entry** to access the platforms, training, and tools. Exact costs are shared transparently during the Surge365 Presentation and onboarding.

**THE PRODUCT**

# The Travel Technology Package

**Cost: \$499 upfront + \$99.95 / month**

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                                           |

---

## What kind of support do I receive?

You are supported by:

- Structured onboarding
- Live and recorded training
- Hands-on, human-led guidance
- A proven platform and community

You are **not left to figure it out alone**.

---

## Can organizations or groups participate?

Yes. The platform supports **individuals, groups, and organizations**, including nonprofits, ministries, and community initiatives that want to combine travel with income or fundraising.

### Is this location-dependent?

No. This opportunity is **location-independent** and can be managed from anywhere with internet access.

---

### Is this commission-only?

Yes. Earnings are performance-based. There are **no quotas** and **no inventory** requirements.

THE TRUTH ABOUT THE COMPENSATION PLAN

## The only model that brings it all together

- No pay for recruiting
- Pays only for real sales
- Technology product with tangible value
- Earn with Vortex without selling travel
- Optional professional career with high commissions
- Affordable costs and real scalability
- Not dependent on pyramid structures
- Ethical, transparent and sustainable

### How quickly can I get started?

Most participants can **get started immediately** after onboarding and begin booking travel or sharing the platform right away.

---

### Important Disclosure

*This opportunity offers access to travel services and potential income opportunities. Results vary based on effort, time commitment, and market conditions. No income is guaranteed.*
