

# Meet Our Team - Gurpreet Malhi

## International Maritime Investments, Strategic Asset Platforms Strategic Advisor

- Led global maritime and logistics enterprises as CEO and senior executive, driving operational excellence and sustained revenue growth across complex, multi-country environments.
- Successfully raised over **\$250 million in asset-backed financing**, demonstrating exceptional expertise in capital structuring, investor alignment, and large-scale funding execution.
- Executed **shipping and maritime transactions exceeding \$9 billion in gross asset value**, showcasing elite capability in high-value deal-making and asset optimization.
- Served as CEO of **ALBA (JV with Louis Dreyfus Armateurs)**, delivering strategic growth, operational efficiency, and international partnership expansion in a competitive global market.
- Held senior leadership roles with **Mercator Lines, GMS (world's largest ship recycler), and Alphard Maritime**, influencing global shipping strategy, operations, and market positioning.
- Drove **capex optimization and operational transformation initiatives** that improved profitability, efficiency, and return on investment across maritime and infrastructure assets.
- Recognized as a **Master Mariner and globally experienced executive**, blending deep technical maritime expertise with strategic business leadership and MBA-level financial acumen.
- Built and led high-performing international teams, excelling in **complex negotiations, crisis management, stakeholder engagement, and regulatory compliance** across diverse global markets.
