Bio, 2-3 paragraphs

The International Forest of Friendship was a gift to America on the Nation's 200th birthday (1976) from the City of Atchison (Amelia Earhart's birthplace) and The Ninety-Nines, the International Organization of Women Pilots. It is made up of trees representing all the 50 states and 35 countries around the world, including a "moon tree" grown from a seed taken to the moon on Apollo 14. Among the more than 1500 honorees are such internationally recognized fliers as Amelia Earhart, Charles Lindbergh, the Wright Brothers, Sally Ride, Eileen Collins, and Chuck Yeager. The public is invited to the induction ceremonies which are held during the 3rd weekend of September (it was held September 18-19 in 2020). More information about the Forest, and points of contact are at www.ifof.org.
