

Crema Catering info....

Ingredients

We use the freshest ingredients we can get our hands on. We source from local farms, small vendors and producers. We do our best to provide foods that are seasonal and will sometimes make substitutions based on availability.

How much should I order?

Most of the menu is priced per person. This provides the host with the ideal tools needed to order the correct amount based on your guest count. Always inquire if you have questions on quantities.

Plattering charge

Our catering items are presented on ready to serve plastic platters and containers. The charge includes all serving trays, serving utensils and garnishes, plates, napkins, and eating utensils.

Delivery

Delivery is available in the Madison area. This service is subject to availability and is generally not available on weekends. \$10-15 delivery charge based on distance from café, \$50 minimum for delivery.

Timing of order and payment

We appreciate an "early as possible" notice for your event and require a 50% deposit. A 5% surcharge will be added to any weekend catering.

Corporate Accounts

Ask about setting up an account with us to make reordering easier.

We'd be happy to cater your next event!
